

Concord Community Assistance – Neighbor Helping Neighbor

The City of Concord is offering an easy way for you to participate in a program called Neighbor helping Neighbor. Each month you can make a tax-deductible contribution (the Customer is responsible for tax records) to a fund that will be managed by the Cabarrus Cooperative Christian Ministries. CCM provides crisis financial assistance, food, and counseling. These funds will be used to aid Concord customers with their utility bills. More information may be found at www.cooperativeministry.com and www.concordnc.gov.

It is quick and simple! Every cent and dollar counts! Here's how you begin your contribution: Please fill out the form attached to the bottom of this sheet to add a recurring charge to your monthly bill or to agree to auto round up each month. Auto roundup will automatically increase your utility bill to the next whole dollar. For example, if your total bill is \$98.25, you will be billed \$99.00. Your contribution to Neighbor Helping Neighbor will be 75 cents.

- To stop the contribution: Contact the City of Concord at any time to cease enrollment.

Fill out your customer information below.

Account Number _____
Name: _____
Mailing Address _____
Daytime Phone _____
Optional Email Address _____
