TO ALL PLANHOLDERS:

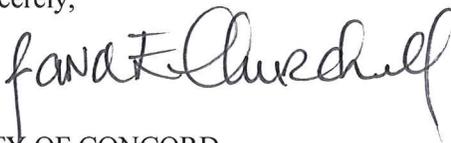

The bid date and time has **NOT** changed by this addendum. Bids will be received in Conference Room C Alfred M. Brown Operations Center, 850 Warren C. Coleman Blvd. (Hwy 601 S.), Concord, NC 28026 at 3:00 PM on October 25, 2012.

The following clarifications, changes, additions, and/or deletions are hereby made a part of the Contract Documents for the construction of City of Concord Monument Signs (Qty 2) as fully and completely as if the same were fully set forth therein:

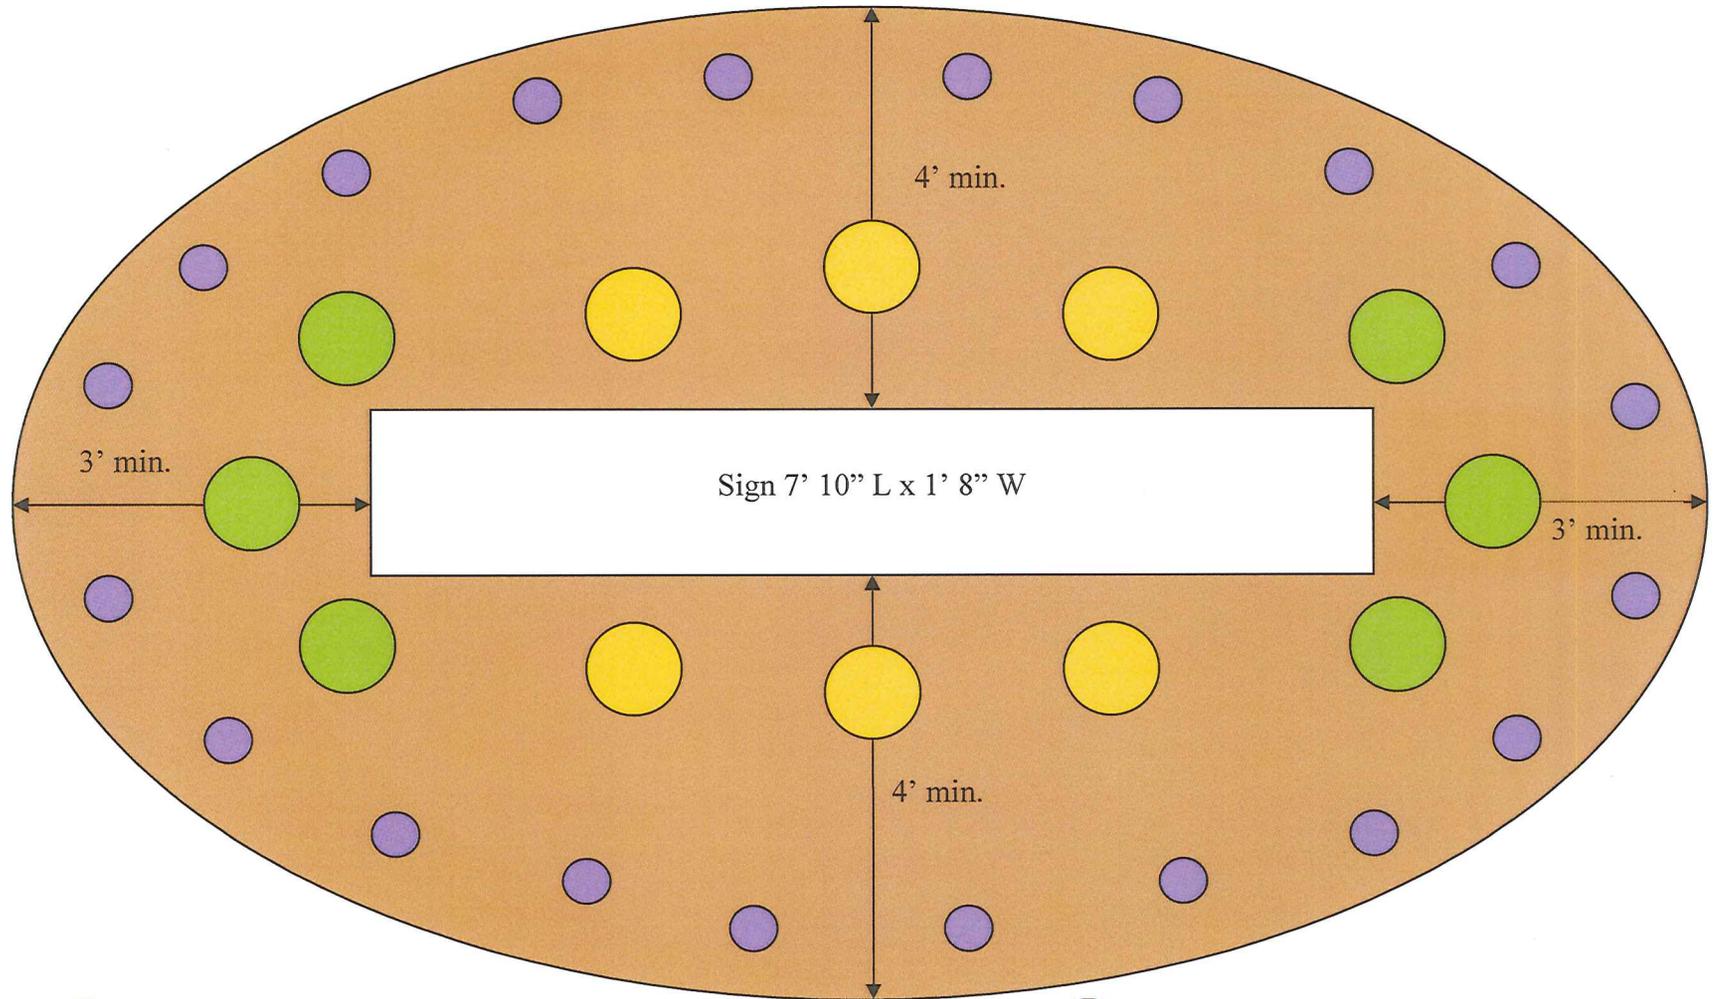

1. As shown in the architectural renderings on pages 24 and 25 of the bid documents, the monument signs shall not include a pre-cast concrete cap. As such, please eliminate this part of the detail from the drawing Sheets 1 through 4 (revised as attached). Minus the pre-cast caps shown on the drawing sheets, all other dimensions shall remain the same. In place of the pre-cast caps shall be brick end caps only and a soldier-brick arrangement for the center arch as shown in the renderings.
2. As an additional clarification, the brick utilized for each of the two sites shall match aesthetically as close as possible to each of the respective buildings, the Neighborhood Networks Technology Center, and the Larkhaven Community multi-unit homes. A sample of the proposed brick shall be submitted for final approval by Owner prior to purchase by Contractor. There is no allowance, as the Contractor will choose an acceptable match for the respective brick and submit pricing on the Bid Form.
3. Landscaping Plan – The landscaping plan was previously and inadvertently excluded from the bid documents and is now provided on the attached sheet. Please include pricing for the same landscaping at each of the two signs.

All Bidders shall acknowledge receipt and acceptance of this Addendum No. 1 in the designated boxes as provided in the BID FORM.

Sincerely,
