

Request for Proposal

By

City of Concord

for

Workers' Compensation Claims Administration Services

May 25, 2011

I. OVERVIEW AND PURPOSE

It is the intent of this Request for Proposal (RFP) to secure the services of a qualified "Third Party Workers' Compensation Administrator (TPA)" that provides a pro-active, organized system of services to deliver effective workers' compensation claims administration and the delivery of benefits to injured employees, in a self-insured environment, in compliance with NC statutory and regulatory requirements per RFP requirements, terms and conditions. The qualified TPA will work with the City to reduce workers' compensation exposures, establish integrated action plans and develop effective transitional duty programs.

II. BACKGROUND INFORMATION

The City is currently self-insured for workers' compensation. Hewitt Coleman & Associates is the current Workers' Compensation Claim Administrator for workers' compensation claims administration services.

The City is currently using the City of Concord's Wellness Center and Occupational Medicine Services as primary providers for medical care for workers' compensation injuries.

The Risk Management Department is responsible for overseeing the Workers' Compensation Program for the City. It is very important that the Workers' Compensation Claim Administrator consistently develop a successful relationship with Risk Management, and the City in regards to the management of the Workers' Compensation Program.

Included in the RFP is a summary of the City's losses for the past five years ending May1, 2011.

III. SCOPE OF WORK

The selected TPA will have offices and sufficient personnel assigned to the City account with access available by telephone, fax, and e-mail. In addition, the selected TPA will be required to conduct quarterly on-site claims reviews with the Risk Management Department.

The selected TPA will be required to meet, as needed, with the City's legal defense team, Risk Management Department and other designated City staff to discuss any legal issues related to workers' compensation claims.

Workers' Compensation Claim Administrator services MUST include the following:

1. Claims Administration:

Examine all claims reported and determine if the claim is compensable under NC Workers' Compensation Statutes. Advise the City's Risk Management Department and the injured employee of the claim determination.

Complete a prompt and thorough investigation of all incidents, accidents, work-related illnesses (including infectious disease exposures) and/or claims assigned, including but not limited to:

- Contact the Risk Management Department and the employee within twenty-four (24) hours of receipt of the reported claim.
- As requested by the Risk Management Department or required by the facts of the claim, conduct recorded phone interviews with the injured employee, co-workers, witnesses or others who might have direct knowledge of the facts and circumstances relating to the claim.
- Conduct any other interviews or investigations deemed appropriate.
- Provide a medical cost containment program, to include: fee schedule review, hospital utilization review, hospital bill audit, and hospital/physician discounts.
- Provide a quarterly medical cost containment report to the Risk Management Department.
- Compile and file, on behalf of the City, all notices, reports and admissions required by state statutes relating to workers' compensation claims.
- With the approval of the Risk Management Department, arrange for Independent Medical Examinations (IME), Functional Capacity Evaluations (FCE) rehabilitation services, physical therapy, medical follow-ups, or any other specialized treatment as may be medically necessary.
- Report claims to the City's insurer in accordance with policy requirements, and monitor all recoveries due. This shall include providing notice to excess insurers of all claims or potential losses which may exceed the City's per occurrence retention. When requested, provide such insurers with necessary information on the current status of those claims, including total aggregate loss information for the policy year.

The selected TPA must be available to respond within (7) business days for meetings concerning specific difficult workers' compensation cases.

The selected TPA must have electronic capability for communication with the Risk Management Department, designated medical providers and attorneys. This may include claims data available through secure website access and encrypted e-mail.

The selected TPA will have specific personnel assigned to handle all City claims. The claims team will communicate with the City's Risk Management or other City Departments regarding the day-to-day claims management and status updates. The lead adjuster should be assigned to the City account.

The selected TPA shall provide a statement describing how the TPA remains current on the relevant laws; and from whom the TPA obtains legal advice in regard to City claims, (if any such advice is sought).

The selected TPA is required to return phone calls and/or respond to e-mails from the Risk Management Department and injured City employees within one business day.

The selected TPA is required to set an ultimate claim reserve for all lost time cases within 30 days of the receipt of the claim. This reserve would be adjusted as needed, to always reflect the ultimate claim reserve.

2. Claims Reporting/Risk Management Information System (RMIS) Requirements

The selected Workers' Compensation Claim Administrator shall provide a fully integrated risk management information system (RMIS). In the areas of claim information and general financial information, the firm shall have the capability to provide the following:

- Loss run printouts by policy year (July 1st through June 30th). Each loss run must be capable of selecting on the basis of specified range parameters on any or all data fields and producing an ordered print.
- Monthly loss detail and summary reports (Please provide samples)
- Quarterly accident analysis detailed reports (Please provide samples)
- A carrier report by year, monthly check register detailing financial activity including; payments issued, payee, amount of check, type of payment, claim number, date of injury and claimant name (Please provide report sample)
- Capability for on-line access.
- Customized loss reports are preferred. Please comment on your firm's ability to provide reports to an SQL database and/or using various report formats: MS Access; MS Excel; PDF; print and disk.
- Submitted proposals should address ownership of data/loss files. Please comment on special ownership of claim file media.
- Explain knowledge of and plans to comply with NC public records and employee privacy statutes.

3. Pharmacy Benefit Management Prescription Program

As prescription-drug benefit costs continue to increase, controlling costs and managing trends are very important to the City. The selected TPA MUST provide a comprehensive prescription program for injured employees including but not limited to:

- Achieved URAC's Workers' Compensation Pharmacy Benefit Management Accreditation.
- Program with proven experience, industry expertise and broad resources to meet the needs of injured workers and be cost effective for City.
- Patient Care Contact Centers - operating 24 hours a day, seven days per week.
- Technologically advanced local participating pharmacies.
- Strategic approach to workers' compensation, structuring customized customer solutions.
- Injury-specific formularies manage utilization.
- First Fill Benefit Program.
- Dedicated workers' compensation team including: account management, implementation, and pharmacists.

4. Financial and Accounting Services

Submitted proposals will require an explanation of the establishment of any fund which may be required for payment of claims. Details should include, but not be limited to:

- Any monthly requirements after initial establishment of the fund.
- Procedures under which funds are to be transferred.
- Frequency of adjustment to determine accuracy of funding level.
- Reconciliation of check issuance.

- Maintain accurate and current claim payment records to prevent the issuance of duplicate payments
- Indicate basic funding arrangements available, i.e., daily replenishment (budgeted basis or cleared bank basis), monthly replenishment, etc. Please indicate anticipated amount of initial impressed account.

Questions concerning the scope of work should be directed in writing to Sid Talbert, Purchasing Manager at the address below. Any amendments to this RFP shall be made in writing and distributed as an addendum.

IV. SUBMITTAL REQUIREMENTS

Proposals submitted shall be in a clearly marked sealed package and received in accordance with the instructions detailed in this RFP. All proposals must be marked **RFP FOR WORKERS' COMPENSATION CLAIMS ADMINISTRATION**. All proposals must be either mailed or personally delivered.

This RFP will be made available on May 25, 2011. Responses are due back by 2:00 p.m. June 8, 2011.

All firms submitting proposals **MUST** be licensed/approved to conduct business in the State of North Carolina.

Bidding firms shall be required to submit the information detailed below. The information shall be organized and assembled in such a manner as to assist the City of Concord in reviewing all proposals received. If the service is not available or not applicable for a particular response item, please note with "not applicable" or "not available" for that item.

All submitted proposals **MUST** include:

1. Table of Contents to include clear identification of the material provided by section and number.
2. A letter of transmittal indicating the firm's interest in providing the service and any other information that would assist the City in making a selection. A person legally authorized to bind the firm to a contract must sign this letter.
3. A statement demonstrating understanding and your capability of providing the services of each section of the RFP.

4. A written description of the firm's qualifications and experience to provide the requested services. Please include a list of other accounts you handle that are similar in size.
5. Completion of the Claims Administration Services Questionnaire.
6. Completion of the Medical Case Management Questionnaire.
7. Completion of the RMIS Questionnaire.
8. Completion of Fee Proposal/Questionnaire.
9. Name and address of the local adjusting company that will be handling claims under the proposals submitted.
10. List the frequency with which the City will receive claims/loss statistics, and include a sample copy of the statistical report.
11. Evidence of insurance as set forth:
 - Workers' Compensation – NC Statutory Limits.
 - General Liability – \$1,000,000 per occurrence and \$2,000,000 aggregate.
 - Automobile Liability – \$1,000,000 per occurrence.
 - Umbrella - \$2,000,000 per occurrence.
 - Professional Liability – \$1,000,000 per occurrence. If the policy is on a claims-made basis, the policy shall be continually or two (2) years from the date of contract.

A valid Certificate of Insurance evidencing required coverage is to be included at the point of proposal submission. If the contract for proposed services is awarded, policy endorsements showing the City as an additional insured on the general liability coverage shall be submitted prior to commencement of services under any such awarded contract.

V. CLAIMS ADMINISTRATION SERVICES QUESTIONNAIRE

(Please answer in the order shown and number your responses)

1. Name, address and phone number of firm
2. Branch office(s), address(es), and phone which would provide service under the proposal
3. Are "toll free" numbers available?
4. Indicate the proposed personnel (including supervisory and management) who would be assigned to administer the City's program. Provide details on job title, experience and education, public entity experience, and length of time with firm. Please include how many years of pure workers' compensation experience each of the claims adjusters who will be assigned to our account have.
5. Are the adjusters that will be assigned to our account licensed NC adjusters?
6. How many mediations and hearings have the adjusters who will be assigned to our account attended in the past twelve-months?
7. What is the caseload of open files that would be managed by the adjusters assigned to the City? Break down into incoming claims, outstanding claims, medical-only and lost-time cases. What is the annual turnover rate of adjusters?
8. How do you assign claims?
9. In directing patient care, does your firm use preferred physicians, surgeons, and specialists? If yes, please provide list.
10. Submit verification that your firm is a State-approved third party administrator for self-insured workers' compensation programs.
11. How many independent self-funded government employers do you have as customers?
12. Are you on-line with the Industrial Commission?
13. Where are medical bills processed?

14. What is the average length of time that it takes from receiving a provider bill to the mailing of the payment to the provider?
15. Describe your criteria and procedures for closing claims in a timely manner (employee reaches MMI, treatment completed, etc.).
16. Give at least three (3) references - at least two being public agencies. Please give names, phone numbers and a brief description of services provided.
17. Describe your investigative and reporting procedures. What criteria will be used to determine the extent of an investigation?
18. What will be the frequency of status reports on any claim involving temporary total disability and/or permanent total disability?
19. Describe your procedures for making initial and follow-up contacts with injured employees, Risk Management Department, and the City's designated medical providers. Will you be able to perform this within 24 hours of receiving the claim? What criteria will be used to determine on-site versus telephone investigations?
20. Describe your approach to claims adjusting and management, including but not limited to: scheduling independent medical evaluations; arranging rehabilitation services; securing medically approved employment; activity checks and legal assistance.
21. Describe criteria used for providing systematic medical/hospital bill audits.
22. Please describe procedures for reviewing the adequacy of claim reserves.
23. Explain any aspects of the RFP's Scope of Work which your firm cannot perform.
24. Provide a statement verifying that the submitted proposal is valid until July 1, 2011.
25. It is the desire of the City to retain the right to periodically conduct file audits. Please acknowledge permission to conduct audits of claim files, either by City staff or other duly authorized representatives. Please submit a copy of your firm's established Audit Protocol and your internal standards for file management. Additionally, please verify/acknowledge the City's right to review any/all third party auditor's reports and/or management letters as they may pertain to City claim files.

VI. MEDICAL CASE MANAGEMENT QUESTIONNAIRE

1. Please describe your medical case management program with details on who provides the services and the criteria that is used in selecting cases. Please provide a description of the professional experience/qualifications on medical case management personnel who would be assigned to work with the City.
2. How often are reports on managed care cases submitted? Please provide a copy of a "typical" medical case management report. Will the managed care personnel be willing to play an active role in our critical claims management process? If so, in what capacity would they see their role in this process?
3. Please describe the fees associated with your case management.
4. Indicate the proposed personnel/firm who would be assigned as medical case managers for City claims. Provide details on job title, experience and education, public entity experience, and length of time with the firm. Please include how many years of medical case management experience each of the case managers have, who will be assigned to our account.

VII. RMIS QUESTIONNAIRE

1. Please describe the fees associated with your case management.
2. Please provide samples of all loss reports (summary and detail) that would be provided under a service agreement.

3. With what frequency will reports be provided?
4. What other management reports will be routinely provided as a part of the administrative services?
5. Describe what on-line capabilities are available to the City. Provide fee proposal for on-line access, if any, plus set up charge, monthly maintenance, etc.
6. If there are costs/charges for RMIS, which are not included in the fee proposed/quoted for claims adjusting and administration, please state what charges will apply.
7. Upon termination of any service agreement, will the City continue to receive periodic loss reports on open and closed claims? If so, what will be the costs for such reports? Will access to claim information via on-line be available after agreement termination? If so, what will be the charge and availability time?

VIII. FEE PROPOSAL

1. Please indicate your proposed fee for administration/adjustment of workers' compensation claims. Explain basis of fee structure (i.e., composite rate, cost per lost time/medical only, etc.).
2. Please provide a quote on "life of the claim" basis.
3. Please note if above quoted fee is based on a minimum volume level. If so, show fee at different volume levels.
4. Will your service agreement include a catastrophe clause, and if so (1) what are the particulars on the number of claimants from a single occurrence to be considered a catastrophe, and (2) is there an additional fee and if so indicate how much?
5. Please provide a sample contract.
6. Are occupational disease claims included in the service fee? If not, describe.
7. Will the claims service fee for a work-associated injury follow to the final settlement of the claim regardless of time involved? If not, explain.
8. Is there a dollar maximum for a medical-only claim above which the claim is classified as an indemnity for fee purposes? If so, what is that dollar amount?
9. How and what fees are charged for Rehabilitation Nurses?
10. How and what fees are charged for Private Investigators?
11. Are there additional charges for phone calls to adjusters for information?
12. What are the charges and expenses to attend mediation?
13. What are the charges and expenses to attend a hearing?
14. Under the City's Return to Work program, we require assertive claims administration and case medical management. As this program has shown significant improvement in claim severity, we have many cases, which are medical only, which would be indemnity if it weren't for our Return to Work program. This often creates a "hybrid" claim; one which incurs basic medical costs only but requires administration and management much like a lost time indemnity case. How would your firm price such "hybrid" claims?
15. Do you charge a percentage of the savings for reducing medical charges to fee schedules? If so, how much?
16. Any other further charges for Cost Containment? If so how much?
17. Do you have a separate charge for Medicare Set Aside Claims? If so how much?
18. Is there a charge for Transfer or Run Off of current claims? If so how much?

Note: Please be sure to comment on any additional fees which may be charged for services requested that may be outside your "basic" services. If there are to be additional charges for your firm's participation in this requested service, be sure to show those charges separate from all

other "basic" services. If no separate charges are denoted, the City will assume all requested services are included in base fee quoted.

IX. SUBMITTAL DEADLINE

This RFP will be made available on May 25, 2011. Responses are due back by 2:00 p.m. June 8, 2011.

The proposal submitted shall be in a clearly marked sealed package and received in accordance with the instructions detailed in this RFP. All proposals must be marked **RFP FOR WORKERS' COMPENSATION CLAIMS ADMINISTRATION**.

Original and nine (9) copies of the proposals are due no later than 2:00 p.m. on June 8, 2011 at the address below. No proposals will be accepted after this time. Should the City of Concord choose to conduct interviews with selected qualified firms, it is anticipated that interviews will take place the week of June 13, 2011. The City reserves the right to reject any and all proposals. It is anticipated that a firm will be selected and notified by June 22, 2011.
