**Hartsell Recreation Center Renovations Addendum
Additional Information**

August 28, 2013

I. ADDITIONAL INFORMATION

The renovations are to primarily cover the downstairs area of the recreation center. The renovation would create programmable space in the form of rooms to accommodate different size groups. Modernizing the weight room would also be part of the renovations. The upstairs area of the recreation center would largely be left as is except for the restrooms and the creating of a front counter. Outside work would address any concrete spalling areas, particularly at the columns.

Hartsell Recreation Center is open Monday thru Fridays, 8:00 a.m. to 8:00 p.m. and Saturdays, 12:00 Noon to 5:00 pm. If visiting the center, please just advise the staff of the purpose of your visit.
