INVITATION TO BID
SEWER LINING CONTRACT 2011

Sealed Bids will be received by The City of Concord Engineering Division in Conference Room C, Alfred M. Brown Utilities Complex, 850 Highway 601 S., Concord, North Carolina 28026 until 11:00 AM., local time, Thursday October 27, 2011, for City's 2011 Sewer Lining Contract.

At said place and time, and promptly thereafter, all Bids that have been duly received will be publicly opened and read aloud.

The proposed Work is generally described as follows:

Table with 2 columns: Pipe Diameter, Inches and Pipe Length, Linear Feet. Rows include 8, 10, 12 inch diameters and Service re-connections.

The work will require traffic control and the re-connection of approximately 312 service lines and the removal of 15 protruding taps. In addition, traffic control will be required in some of the heavy traffic area of the city. Contractor must submit a traffic control plan for approval by the city's transportation department prior to any lane closure or street closure. Traffic control must be in compliance with NCDOT requirements, including Work Zone Certification for workers within the work zone.

All Bids must be in accordance with the Bidding Documents on file with: The City of Concord (Engineering Department Office).

Please contact Enrique A. Blat, P.E. at blatr@ci.concord.nc.us to register to bid and to obtain a copy of the bidding documents in PDF format via email. Registration for bidding requires the name of the company, physical address, email address, and telephone number

Bidders must be properly licensed as required by Chapter 87 of the North Carolina General Statutes. All Subcontractors must also be licensed contractors in the State of North Carolina.

Bids will be received on a unit price basis.

5% Bid security must accompany each Bid.

The Successful Bidder will be required to furnish a Construction Performance Bond and a Construction Payment Bond as security for the faithful performance and the payment of all bills and obligations arising from the performance of the Contract. Contractor and all Subcontractors will be required to conform to the labor standards set forth in the Contract Documents.

Standard specifications for collection and distribution of Water and Sewer Authority of Cabarrus County (WSACC) shall be used on this project. Contractor shall obtain standard specifications from WSACC at <http://www.wsacc.org/>

Owner reserves the right to reject any or all Bids, including without limitation the rights to reject any or all nonconforming, non-responsive, unbalanced, or conditional Bids, and will award to lowest responsible Bidder taking into consideration quality, performance, and time specified in Bid Form for performance of Work. Owner also reserves the right to waive informalities.
