The State of North Carolina

City Clerk
Contract No. _____

County of Cabarrus

Interlocal Agreement
Between the City of Concord, North Carolina, City of Kannapolis, North Carolina and
County of Cabarrus, North Carolina

Justice Assistance Grant (JAG) Program Award

This Agreement is made and entered into this day 26 of May 2010, by and between The COUNTY of CABARRUS, acting by and through its governing body, the County Commissioners Court, hereinafter referred to as COUNTY, and the City of CONCORD and City of KANNAPOLIS, State of North Carolina, acting by and through their governing bodies, the City Councils, hereinafter referred to as CITIES, both of CABARRUS County, State of North Carolina, witnesseth:

WHEREAS, this Agreement is made under the authority of Sections 160A-460, et seq. of North Carolina General Statutes: and

WHEREAS, each governing body, in performing governmental functions or in paying for the performance of governmental functions hereunder, shall make that performance or those payments from legally available to that party: and

WHEREAS, Concord Police Department (City of CONCORD) is the fiscal agency and

WHEREAS, the CITIES agrees to provide the COUNTY \$7769.00 from the JAG Award for (2) Alco Sensor units at \$700.00 each, total \$1400.00; (6) Tasers at \$850.00 each , total \$5950.00 and \$419.00 for DARE/GREAT Crime Prevention Materials.:

WHEREAS, the CITIES and COUNTY believe it to be in their best interests to reallocate the JAG funds.

NOWTHEREFORE, the COUNTY and CITIES agree as follows:

Section 1.

CITIES agree to pay COUNTY a total of \$7769.00 of JAG funds. The breakdown of payment is as follows, CITY of CONCORD agrees to pay COUNTY \$4590.00, and CITY OF KANNAPOLIS agrees to pay COUNTY \$3179.00.

Section 2.

COUNTY agrees to use (2) Alco Sensor units at \$700.00 each, total \$1400.00; (6) Tasers at \$850.00 each , total \$5,950.00 and \$419.00 for DARE/GREAT Crime Prevention Materials.:

Section 3.

Nothing in the performance of this Agreement shall impose any liability for claims against COUNTY other than claims for which liability may be imposed by 153A-435 Liability Insurance; damage suits against a county involving governmental functions.

Section 4.

Nothing in performance of this Agreement shall impose any liability for claims against CITIES other than claims for which liability may be imposed by 160A-485 Waiver of Immunity Through Insurance Purchase.

Section 5.

Each party to this agreement will be responsible for its own actions in providing services under this agreement and shall not be liable for any civil liability that may arise from the furnishing of the services by the other party.

Section 6.

The parties to this Agreement do not intend for any third party to obtain a right by virtue of this Agreement.

Section 7.

By entering into this Agreement, the parties do not intend to create any obligations express or implied other than those set out herein; further, this Agreement shall not create any rights in any party not a signatory hereto.

Program Narrative

The purpose area for these proposed projects is to purchase needed technical equipment for law enforcement personnel to enhance officer safety, increase job performance capabilities, and provide effective public safety services and to provide Drug Abuse Resistance Education and Gang Resistance Education Awareness Training materials to youth and adults.

Concord Police Department, City of Concord is the fiscal applicant agency for Direct JAG allocations due to Concord Police Department and Kannapolis Police Department. The total amount allocated is \$51,793.00. The City of Concord and City of Kannapolis is located in the disparate county of Cabarrus, North Carolina. In light of this, Cabarrus County Sheriff Department is requesting (jointly) \$7769.00 from Concord Police Department and Kannapolis Police Department. Concord Police Department agrees to pay Cabarrus County Sheriff Department \$4,590.00 of its \$30,599.00 and Kannapolis Department agrees to pay Cabarrus County Sheriff Department \$3,179.00 of its \$21,194.00. All municipalities agree as outlined in the Memorandum of Understanding (Interlocal Agreement).

As the fiscal agency, drawdowns and grant expenditures will be handled by the City of Concord Finance Department. Finance will setup separate accounts for grant revenue and grant expenses. Reporting will be consistent with BJA requirements of quarterly financial status reports, quarterly performance metrics reports and an annual progress report. City of Concord Finance Department has previous experience and a strong track record in grant management. A qualified employee is designated as grant manager.

Concord Police Department - \$30,599.00

\$4,589.00 to Cabarrus County Sheriff Dept.

Project # 1 – Electronic Control Weapons – \$26,009.00

The Concord Police Department is applying for a grant in the amount of \$30,599.00 under the FY 2010 Edward Byrne Memorial Justice Assistance Grant Program, with \$4590.00 designated to Cabarrus County Sheriff Department. This leaves a remaining balance of \$26,009.00 to fund the Electronic Control Weapons Project. The amount requested has been agreed upon by the three agencies and their respective governing bodies under the requirements of disparate allocation.

The objective of this project is to continue the process of Electronic Control Weapons deployment to all sworn personnel within the Concord Police Department. This will provide officers with a less lethal option that permits personnel to gain control over suspects or detainees with less risk of injury to the suspects, detainees or officers.

Electronic Control Weapons in their current form have been available since 1999. The most commonly used are manufactured by Taser International. The Taser X26, a model distributed by Taser International, is a “Conducted Energy Weapon that uses propelled wire to conduct energy to a remote target, thereby controlling and overriding the body’s central nervous system.

These weapons are a less lethal option that permits officers to gain control over suspects or detainees with less risk of injury to the suspects, detainees or officers. The other less lethal options available to officers include oleoresin capsicum (OC) or pepper spray and the baton.

There are other more specialized less lethal weapons including specialty impact munitions such as rubber bullets and bean bag rounds; chemical munitions such as tear gas; and distraction devices. These weapons, however, are usually only available to specialized units such as specialized tactical teams and not to the street officer.

Agencies deploying conductive energy weapons to all sworn personnel have consistently reported a significant reduction in officer injuries, suspect injuries, and total uses of force. The Concord Police Department favors the use of the electronic control weapons because they allow the officer to gain control over suspects without having to use hand-to-hand restraint techniques, OC spray or the baton. The agency currently has deployed 40 electronic control device weapons. This grant funding will be used to purchase twenty-nine (29) additional Taser X26 units. This number of units, along with those currently deployed will allow the agency to deploy these weapons to 46 percent of our sworn personnel.

Project Timeline

This objective will be accomplished by achieving the following goals and timelines:

1. Obtain equipment quote from Taser International – Upon notification of award;
2. Submit Purchase Order to Taser for equipment – within 30 days of receipt of funds;
3. Training of personnel – Immediately upon receipt from vendor;
4. Deployment of Units – Immediately upon completion of training;
5. Funds will be expended in full within 60 days of the delivery of the equipment.

Activity Area; Equipment/Supplies

BJA Objectives and Performance Measurements

The program will be evaluated in two ways. The purchase, training, and deployment of described units will be considered the first measure of meeting the objectives of the grant. The second measure will be an analysis of use of force incidents to determine the impact of the deployment of these units to sworn personnel in the areas total use of force incidents, officer and suspect injuries, and a comparison of any differences in between those officer's with these units and those without.

Performance Measures

Amount of funds expended on equipment and/or supplies.

Types of equipment purchased with JAG funds.

Number of units that directly benefited from equipment purchased with JAG funds.

Percent of officers who reported a desired change in job performance as a result of equipment purchased with JAG funds.

Funds will be deposited in a special account that is separate from City funds as well as other State and Federal funding accounts. This will allow for the detailed and accurate accounting of all draw-downs and grant expenditures. A designated employee in the Finance Department will be responsible for this process.

Kannapolis Police Department - \$ 21,194.000

\$3179.00 to Cabarrus County Sheriff Dept.

Project #1 – High Visibility Light Bar Deployment- \$ 18,015.00

The Kannapolis Police Department is applying for a grant in the amount of \$21,194.00 from Justice Assistance Grant program, with \$3170.00 designated to Cabarrus County Sheriff Department. This leaves a remaining balance of \$18, 015.00 to fund the High Visibility Light Bar Deployment Project.

The objective of this project is to continue the process of high visibility light-bar deployment on marked police vehicles deployed in field and communities by the Kannapolis Police Department. This will provide officers with higher visibility and increase officer safety while enforcing motor vehicle laws and conducting vehicle stops within the community.

The Kannapolis Police Department regularly meets with various community groups and neighborhood watch organizations within our jurisdiction. Consistently speeding and other traffic related complaints are high on the list of concerns expressed by these groups.

The Kannapolis Police Department favors the use of high visibility light-bars on marked vehicles because they allow the officer to be seen in the neighborhoods when taking enforcement actions and increases officer safety.

Project Timeline

This objective will be accomplished by achieving the following goals and timelines:

1. Obtain equipment quote vendors – June/2010;
2. Submission of Project Ordinance to the Kannapolis City Council for approval Upon approval of grant funding;

3. Submit Purchase Order for equipment – within 30 days of receipt of funds;
4. Installation and deployment of units – Immediately upon receipt of equipment;
5. Funds will be expended in full within 30 days of the delivery of the equipment.
6. The purchase and deployment of described units will be considered the first measure of meeting the objectives of the grant.

Funds will be deposited in a special account that is separate from City funds as well as other State and Federal funding accounts. This will allow for the detailed and accurate accounting of all draw-downs and grant expenditures. This requirement will be included in the Project Ordinance adopted by the City of Kannapolis.

Activity Area; Equipment/Supplies

BJA Objectives and Performance Measurements

The program will be evaluated in two ways. The purchase and deployment of described units will be considered the first measure of meeting the objectives of the grant. The second measure will be an analysis of the increased visibility achieved by the deployment and a comparison of any differences in between those officer's with these units and those without.

Performance Measures

Amount of funds expended on equipment and/or supplies.

Types of equipment purchased with JAG funds.

Number of units that directly benefited from equipment purchased with JAG funds.

Percent of officers who reported a desired change in job performance as a result of equipment purchased with JAG funds.

Cabarrus County Sheriff Department

Project #1 –School Resource Officer Program Enhancements - \$7769.00

The 2010 funding will be used to support the Youth Division (school resource and DARE officers) of this agency. We are planning to purchase crime prevention related materials; alcohol detectors; and Tasers. These purchases will be used at the three high schools and four middle schools.

Alco sensors will be used to test if students have been consuming alcoholic beverages and to test suspicious substances for alcohol content. These units will be used in the three high schools.

Tasers will be primarily used in the high schools as a less than lethal option when attempting to arrest a violent student. Six are requested because the middle school officers backup the high school officers on emergency calls or when the high school SRO is unavailable due to illness or training.

DARE/GREAT or Crime prevention supplies will be purchased with the remaining amounts to promote crime prevention and/or GREAT/DARE.

Activity Area; Equipment/Supplies

BJA Objectives and Performance Measurements

Amount of funds expended on equipment and/or supplies.

Types of equipment purchased with JAG funds.

Number of units that directly benefited from equipment purchased with JAG funds.

Edward Byrne Memorial Justice Assistance Grant (JAG) Program
FY 2010 Local Solicitation
Applicant: City of Concord, Concord Police Department, Concord, NC
Attachment 1: Program Narrative

Percent of officers who reported a desired change in job performance as a result of equipment purchased with JAG funds.

Performance Measures

Conduct at minimum five DARE/GREAT and/or crime prevention programs in the course of the year.

SRO uses the Alco Sensors on every case that warrants the use of said equipment.

SRO carries the Taser 100% of the time while on duty.

SRO must follow the proper use of force relating to local policy and state law.

Project Timeline

Within (30) thirty days of receiving funds,

1. Submit order for purchase approval.
2. Upon receipt of purchase order approval, place order for (6) Tasers.
3. Upon receipt of equipment, issue equipment within 30 days.
4. Collect, compile and report performance indicators.

Budget Narrative

Concord Police Department, Kannapolis Police Department and Cabarrus County Sheriff Department will use Justice Assistance Grant funds to purchase, install and utilize technological equipment to improve or enhance job efficiency and/or system improvements. Also, a portion of the Cabarrus County funds will be used to purchase crime prevention educational materials to support the Drug Abuse Resistance Education and Gang Resistance Awareness Training programs, any over costs will be covered by respective local funds. Concord Police Department will use the funds to purchase Electronic Control Weapons and Cabarrus County Sheriff Department will use JAG funds to Alco Sensors, Tasers and DARE/GREAT crime prevention materials. Kannapolis Police Department will use JAG funds to purchase High Visibility Light Bars for patrol vehicles.

No portion of JAG funds will be used to pay for administrative costs. Concord Police Department, as the fiscal agency will work with City of Concord Finance Department to administer and manage the grant funds. Budget Details are outlined below.

Edward Byrne Memorial Justice Assistance Grant (JAG) Program
FY 2010 Local Solicitation
Applicant: City of Concord, Concord Police Department, Concord, NC
Attachment 3 – Review Narrative

Review Narrative

This JAG application was presented and reviewed by City of Concord Council. City of Concord Council approved pursuit of JAG funds on May 13, 2010. Council was presented with completed JAG application on May 28, 2010. The JAG application was made available for public comment on City of Concord website and sent out to organized neighborhood presidents under the City of Concord Neighborhood Program. Also, it was placed at the local public library for review.

Concord Police Department is part of a disparate jurisdiction; City of Kannapolis and Cabarrus County are in agreement with the said allocation amounts. Concord Police Department (City of Concord) will act as the fiscal agency. As stated in the memorandum of Understanding.

Abstract

The name of applicant is Concord Police Department, City of Concord, North Carolina. Project titles are as follows,

Electronic Control Device Project, Concord Police Department

The objective of this project is to continue the process of Electronic Control Weapons deployment to all sworn personnel within the Concord Police Department. This will provide officers with a less lethal option that permits personnel to gain control over suspects or detainees with less risk of injury to the suspects, detainees or officers.

High Visibility Light Bar Deployment Project, Kannapolis Police Department

The objective of this project is to continue the process of high visibility light-bar deployment on marked police vehicles deployed in field and communities by the Kannapolis Police Department. This will provide officers with higher visibility and increase officer safety while enforcing motor vehicle laws and conducting vehicle stops within the community.

School Resource Officer Program Enhancements Project

The 2010 funding will be used to support the Youth Division (school resource and DARE officers) of this agency. Cabarrus County Sheriff Department will purchase crime prevention related materials; alcohol detectors; and Tasers. These purchases will be used at the three high schools and four middle schools.
