

# Improved Garbage Service For You!

## CALL-IN NO LONGER REQUIRED FOR BULKY WASTE COLLECTION.

Beginning July 8, 2013, you no longer have to call the City to schedule bulky items (*furniture, appliances, construction debris, etc.*). City staff will begin locating bulky waste and yard waste to improve customer service and convenience. Bulky waste will continue to be picked up on your scheduled collection day or the following work day.

## ALL ITEMS (*garbage, recycling, yard waste, and bulky waste*) **MUST BE PLACED AT CURB BY 6:00 A.M. ON YOUR COLLECTION DAY.**

If items are set out after 6 a.m., they may not be located and miss collection. Items that miss collection may not be collected until your next collection day. For your convenience, consider placing items at the curb after 5 p.m. the night before.

## 2 COLLECTIONS PER HOUSEHOLD PER YEAR

**Tires:** 8 tires maximum per collection with rims removed. Additional collection available for a fee.

**Carpet & padding:** rolled and tied in lengths of 6-feet or less weighing no more than 65 pounds. (*What 2 people can lift and carry without dragging*). Work must be performed by homeowner.

# Beginning July 8, 2013

Since launching every-other-week recycling and fully automated garbage and recycling collection in 2011, the City of Concord has saved millions of dollars each year and improved convenience, dependability, and service.

# Beginning July 8, 2013

the City of Concord will change bulky waste collection procedures to make collecting residential waste even more customer-friendly and efficient. See the other side of this card for more details.
