

Watershed Information

This is a North Carolina watershed. The water here is pumped to a filter plant in Concord where it is treated. It is then pumped to homes throughout the City of Concord for use by citizens. Because this lake is classified as a watershed, there are rules and regulations along with state laws that govern activities here, which are in place to protect the integrity of the water supply as well as make visits here by patrons more pleasant. Please assist us by following these guidelines.

Lake Fisher is 3 miles in length and consists of 534 acres.

To check lake water levels, please visit the City of Concord Water Resources web site:

www.concordnc.gov

Rules and Regulations

- You must have a North Carolina fishing license and photo identification to show the Boat Rental Attendant.
- See the Boat Rental Attendant before taking a boat onto the lake.
- Please do not take out a boat unless rental agreement has been signed and boat fees paid. Failure to abide by rules can result in banning from lake property and possibly arrest.
- You must stay in the boat at all times. No fishing allowed from bank.
- There is a fine up to \$250.00 for littering. No littering in water
- Alcohol, drugs and weapons are not allowed on lake property!
- Maximum of 4 people per boat.
- The lake will close promptly at the designated times. ***Please be at the boat landing 15 minutes before closing time.***
- Return all oars, paddles, life jackets and seat cushions to their designated location. Please hang all life jackets.
- Please remove all trash and other items from boat (hooks, lures, fishing line, worm containers, plastic worms, etc.) Boats will be checked.
- Anchor or hook your boat in the corresponding numbered spot reserved for your boat.
