

City Council Agenda

Wednesday, November 10, 2021 6:00 PM

35 Cabarrus Avenue, W. Concord NC 28025

Cell phones are to be turned off or placed on vibrate during the meeting. Please exit the Council Chambers before using your cell phone.

The agenda is prepared and distributed on Friday preceding the meeting to Council and news media. A work session is then held on the Tuesday preceding the regular meeting at 4:00 pm.

- I. Call to Order
- II. Pledge of Allegiance and Moment of Silent Prayer
- III. Approval of Minutes
 October 12 and October 14, 2021.
- **IV. Presentations**
 - 1. Recognition of Sergeant John Parker for receiving the International Association of Chiefs of Police "40 Under 40" award for 2021. Each year, the International Association of Chiefs of Police (IACP) recognizes 40 law enforcement professionals under the age of 40 worldwide for their leadership, dedication, and contributions to their community. As a "40 Under 40" award recipient for 2021, Sergeant Parker was recognized for his outstanding leadership, high level of professionalism, and commitment to the community while positively representing the City of Concord Police Department. Sergeant Parker is known as a progressive leader who implemented a strategic evidence-based approach to problem-solving. Sergeant Parker led the Vice and Narcotic unit's improved intelligence-gathering and investigative capabilities to better support community stakeholders with crime deterrence and case solvability. In addition, Sergeant Parker serves as a mentor to teenagers in the community through the Big Brothers Big Sisters program and is a board member for Cabarrus Leadership Council.
 - 2. Presentation of a Proclamation recognizing award-winning journalist, war correspondent and author, Joe Galloway, Jr. Mr. Galloway was a native of Concord and the only civilian to receive the Bronze Star.
 - 3. Presentation of a Proclamation recognizing November as National Native American Heritage Month.
- V. Unfinished Business
- VI. New Business
 - A. Informational Items
 - 1. Presentation from Cabarrus Visitor's Bureau. (Work Session)
 - 2. Presentation from Cooperative Christian Ministries (CCM) Executive Director, Ed Hosack, on "Transitional Housing". (Work Session)
 - **B.** Departmental Reports
 - C. Recognition of persons requesting to be heard
 - D. Public Hearings
 - 1. Conduct a public hearing to consider adopting an ordinance amending Article 4 (Section 4.4.7.) of the Concord Development Ordinance (CDO) relative to Stormwater report and inspection requirements. The Water Resources Department is proposing a corrective amendment to Section 4.4.7 of the Concord Development Ordinance (CDO) relative to the annual inspection requirements for stormwater facilities. The proposed change deletes the current Section 4.4.7 (which

was written approximately 20 years ago) and replaces it with simpler and more contemporary language that reflects current practice and State and Federal requirements. It also refers the reader to the City's stormwater website for updated inspection requirements. This approach will avoid having to update the CDO each time these requirements change. Planning Commission unanimously voted to adopt this change at their October meeting. Staff will conduct a thorough presentation of all of the changes to ensure the Council understands these changes.

Recommendation: Motion to adopt an ordinance amending Article 4.4.7 regarding stormwater facilities inspections.

E. Presentations of Petitions and Requests

1. Consider adopting the 2021 Update to the City of Concord's Downtown Master Plan. Since the adoption of the 2016 Downtown Master Plan, millions have been invested by the private and public sector in downtown. These investments include 70 residential units in the former Hotel Concord and Lofts 29, a 600-space county-owned parking deck, complete renovations to 57 Union Street and 66 Union Street as well as the ongoing County courthouse expansion. In addition to these projects, starting construction are nearly 300 additional residential units with supporting 20,000 square foot of retail and office space spread throughout three buildings on Union Street (Novi Lofts), Barbrick Avenue (Novi Flats), and Market Street (Novi Rise) behind City Hall (anticipated investment of \$70 Million). These projects along with a new streetscape on Union Street spurred the need for an update to the current Downtown Master Plan. Benchmark Planning has worked extensively with City staff and will present an overview of the Downtown Master Plan Update including a brief review of the Parking Study Update findings (completed by Stantec), public information sessions held in April and June at the Cabarrus Center, Public Input survey results and the recommendations for the future. The Master Plan update aims to keep the momentum moving forward by building on the success of the 2016 plan and creates a strategic vision for downtown of the next five years and beyond.

Recommendation: Motion to adopt the 2021 update to the City of Concord's Downtown Master Plan.

2. Consider allocating an additional \$9,213.10 in CDBG CARES funding for the management of the Vance Drive Apartments by Cooperative Christian Ministries. In November of 2020, Council approved the management of the Vance Drive quadplex for persons needing to temporarily quarantine due to COVID-19. Cooperative Christian Ministries has worked with various agencies including Salvation Army, Cabarrus Health Alliance and Meals on Wheels to facilitate the safe housing of six persons who need immediate quarantine shelter due to a positive COVID test result. Staff is requesting Council to consider allocating the remaining CDBG CARES funds, in the amount of \$9,213.10, to Cooperative Christian Ministries to continue the management of the Vance quadplex and subsequent services related to persons quarantining.

Recommendation: Motion to approve allocating an additional \$9,213.10 in CDBG CARES funding for the management of the Vance Drive Apartments by Cooperative Christian Ministries.

3. Consider adopting an ordinance granting a franchise to Public Service Company of North Carolina, Incorporated. Public Service Company of North Carolina, Incorporated proposes to continue to construct, operate and maintain a Gas Utility System and all necessary means for transmission and distribution of gas within the City of Concord. this franchise shall constitute a contract between the Town and the Company and shall be in force and effect for an initial term of thirty (30) years and shall continue in force and effect year-to-year thereafter until properly terminated by either party.

Recommendation: Motion to adopt an ordinance granting a franchise to Public Service Company of North Carolina, Incorporated.

4. Consider adopting a resolution authorizing an eminent domain action for property located at 167 Mahan Street. Title to this property is currently in the name of Mario Garcia. Due to certain Code Enforcement issues with the property, an attempt was made to locate the owner in order to begin a Code action; however, when the Code Officer went to the address listed by the tax office, no Garcia lived there. Another Mario Garcia was located in the City; however, when contacted, Mr. Garcia disclaimed any knowledge of the property. The tax value of the property is listed at \$41,900.00. Property taxes for the year 2021 are due in the amount of \$511.18. This eminent domain action is requested by the City's Planning Department for the purpose of affordable housing.

Recommendation: Consider making a motion to adopt a resolution authorizing an eminent domain action for property located at 167 Mahan Street.

5. Consider adopting an ordinance to allow the police department to administer the extension of ABC licensed premises. A recent change in the NC General Statutes allows the City to adopt an ordinance providing for the temporary extension of ABC licensed premises. Extension applications will be administered by the Concord Police Department. Extensions are limited to no more than 72 hours per extension and 12 extension per year. This function was previously administered by the ABC Commission and the proposed ordinance mirrors the regulations followed by the Commission.

Recommendation: Motion to adopt an ordinance allowing the police department to administer the extension of ABC licensed premises.

6. Consider authorizing the City Manager to negotiate and execute a contract with the Houston Galveston Area Cooperative Purchasing Program for the purchase of a Pierce manufactured Fire engine/pumper and TDA-ladder truck. By using the government to government purchasing cooperative for the purchase of the fire apparatus, the City is able to purchase both apparatus for a total cost of \$2,153,505 while providing a chassis with the latest safety features available. Using the pre-pay method will result in a cost savings of \$80,333.00. The apparatus will be a replacement for engine company 9 and the new ladder approved in the FY21-22 budget. The requested amount is under the approved funds in the vehicle capital account.

Recommendation: Motion to authorize the City Manager to negotiate and sign a contract for the purchase of the Pierce apparatus using the Houston Galveston Area purchasing cooperative.

7. Consider awarding a bid in the amount of \$1,629,248.25 to Pike Electric LLC for construction of Delivery Station #4 at 114 Union Cemetery Road. Delivery Station #4 site-work/grading is now complete. Bid specifications for construction of the concrete foundations and all above ground facilities were developed and a formal bid process was held on October 20, 2021. Seven construction firms submitted bids, which were evaluated by staff for adherence to specifications. The lowest bidder at \$1,629,248.25 was Pike Electric LLC. Pike Electric was deemed to be a responsive and responsible bidder. Upon a Notice to Proceed letter, Pike will have 280 days to perform the work. Delivery 4 remains on schedule for commissioning in December 2022.

Recommendation: Motion to award a bid for \$1,629,248.25 to Pike Electric LLC for construction of Delivery Station #4 at 114 Union Cemetery Road.

8. Consider awarding bids for electric equipment and materials for Substation T Located at 2640 Concord Parkway to; Dis-Tran Packaged Substation Engineering, PLLC, Virginia Transformer Corporation, S&C Electric Company, ABB Inc., Electrical Power Products Inc. and VFP Inc. Electric Systems staff received bids on October 20, 2021 for electric equipment and materials required for the construction of a new substation located at 2640 Concord Parkway South. The bids were arranged into the following six schedules of equipment: Schedule I –

Substation steel and structures- Dis-Tran Packaged Substation Engineering, \$491,320; Schedule II - Two 27 MVA Power transformers, Virginia Transformer Corporation, \$1,857,624; Schedule III - Two 100KV circuit switchers, S&C Electric Company, \$116,660.20; Schedule IV - Fourteen 15KV circuit breakers, ABB Inc., \$246,161.60; Schedule V -- Relay Panels, Electrical Power Products, \$116,486 (Lowest Responsive Bidder); and Schedule VI - Control equipment house, VFP, Inc., \$91,248. All schedules combined at \$2,919,499.80. Funding to be derived from existing Substation T project account with standing balance of \$4,117,194.22.

Recommendation: Motion to award bids for electric equipment and materials for Substation T to; Dis-Tran Packaged Substation Engineering, PLLC, Virginia Transformer Corporation, S&C Electric Company, ABB Inc., Electrical Power Products Inc. and VFP Inc.

9. Consider approving the acquisition of one parcel totaling 4.303 acres along Three-mile Branch and Branchview Drive (parcel ID# 5621-84-3678) from Irvin W. Nachman, Judy Ben-Zev, Barry A. Nachman, and Susan Nachman for future development of McEachern Greenway. The parcel under consideration for acquisition (PID# 5621-84-3678) would be developed as part of an extension to the McEachern Greenway. This parcel is 4.303 acres according to a new survey, and features land on both sides of Brookwood Avenue. The purchase price is \$105,000. This property is critical for connectivity from the existing end of McEachern Greenway to David Phillips Activity Center, which also features connections to Miramar with sidewalk connections to Beverly Hills Park, Concord High School, and future connectivity to the hospital. The total cost for acquisition of the 4.303 acres including due diligence is \$110,900.

Recommendation: Motion to approve the acquisition of one parcel totaling 4.303 acres (PIN# 5621-84-3678) from Irvin W. Nachman, Judy Ben-Zev, Barry A. Nachman, and Susan Nachman for future development of McEachern Greenway for \$110,900 (amount includes due diligence), and to adopt ordinances to amend the Parks and Recreation Capital Reserve Fund and Recreation Capital Project Fund to complete transfers for approved property purchases.

10. Consider authorizing the City Manager to negotiate and execute a contract with Cunningham Associates, Inc. for the replacement of playground equipment at McGee Park, located at 219 Corban Avenue, East, in the amount of \$160,542.27. Cunningham Associates, Inc. quote was the lowest responsible bidder at \$160,542.27. The amount of \$165,000 was identified in the approved FY22 budget for the replacement of the aged playground unit at McGee Park. The new playground will feature replacement of one large playground unit originally built in 2004, replacement of the existing tire swing with new accessible swings, and new poured-in-place (PIP) rubber surfacing for two large areas of the playground, totaling approximately 5,215 square feet.

Recommendation: Motion to authorize the City Manager to negotiate and execute a contract with Cunningham Associates, Inc. for a playground unit replacement at McGee Park in the amount of \$160,542.27

11. Consider authorizing the City Manager to negotiate and execute a construction contract with Cleary Construction Inc. for the construction of the 12" Public Sewer Extension Phase I and to adopt a capital project ordinance amendment. Bids were received on November 2, 2021 for the construction of a 12" Public Sewer Extension located along Coddle Creek Tributary from Roberta Church Road to approximately 885 feet north. Cleary Construction, Inc. was the low bidder with a total bid of \$2,451,594.75. The bid price was over current project funding and will require a transfer from wastewater future projects.

Recommendation: Motion to authorize the City Manager to negotiate and execute a contract with Cleary Construction Inc. in the amount of \$2,451,594.75 for the

construction of the 12" Public Sewer Extension Phase I and to adopt a capital project ordinance amendment.

12. Consider making appointments to various Boards and Commissions. The Mayor and Council have met and reviewed all applications currently on file in the City Clerk's office.

Recommendation: Motion to make appointments to various Boards and Commissions.

VII. Consent Agenda

A. Consider co-sponsoring the 2021 Concord Christmas Parade and provide insurance and in-kind services for the event. Cabarrus Events Association is requesting the City to provide insurance and in-kind services for the 2021 Concord Christmas Parade. The City has provided these services in previous years. The Parade will be held Saturday, November 20, 2021.

Recommendation: Motion to co-sponsor the 2021 Concord Christmas Parade and provide insurance and in-kind services for the event.

B. Consider accepting the donation of a Pierce rescue truck from the Odell Volunteer Fire Department. The Odell Fire Department Board of Directors has agreed to donate their rescue truck declared surplus due to new vehicle purchase. The Odell rescue truck has greater capabilities as well as additional equipment storage that closely resembles the front-line apparatus used by the fire department. The Odell rescue truck has been inspected by the fleet fire mechanic and he supports the donation of the truck. The Odell rescue truck has had numerous upgrades including LED emergency lighting, LED light tower, LED scene lighting and ladder storage. These features are not available on our current reserve rescue unit.

Recommendation: Motion to accept the donation of the Odell rescue apparatus.

C. Consider the donation of Pierce rescue truck to the Odell Volunteer Fire Department. The reserve rescue unit will be donated to the Odell Fire department and will be used to replace the donated rescue truck from Odell.

Recommendation: Motion to donate the reserve rescue unit to Odell fire department.

D. Consider updating the Housing Department's Admissions and Continued Occupancy Policy to reflect the 30-day advance notification of lease termination. HUD published "Extension of Time and Required Disclosures for Notification of Nonpayment of Rent" as an Interim Final Rule effective November 8, 2021 (PIH Notice 2021-29). The Interim Final Rule requires that, pursuant to a determination of the Secretary of HUD, tenants must be provided no less than 30 days advanced notification of lease termination due to nonpayment of rent. Further, the rule also requires that within the notification, PHAs must provide information to affected tenants as necessary to support tenants in securing available funding through the US Department of Treasury's Emergency Rental assistance (ERA) program provided directly to states. This determination remains in effect until a subsequent HUD notice is issued rescinding the determination.

Recommendation: Motion to update the Housing Department's Admissions and Continued Occupancy Policy to reflect HUD's PIH Notice 2021-29, 30-day advance notification of lease termination.

E. Consider accepting an offer of infrastructure at Night and Day Dental. In accordance with CDO Article 5, improvements have been constructed in accordance with the City's regulations and specifications. The following are being offered for acceptance: 20 LF of 8-inch water line.

Recommendation: Motion to accept the offer of infrastructure acceptance in the following subdivisions and sites: Night and Day Dental.

F. Consider accepting an Offer of Dedication of an access easement and approval of the maintenance agreement. In accordance with the CDO Article 4 the following access easements and maintenance agreements are now ready for approval: Odell

73 Investments, LLC (PIN 4681-68-0773) 8825 Davidson Highway and Stor-All Derita, L.P. (PIN 4589-46-9776) 2875 Derita Road. Access easements and SCM maintenance agreements are being offered by the owners.

Recommendation: Motion to approve the maintenance agreements and accept the offers of dedication on the following properties: Odell 73 Investments, LLC and Stor-All Derita, L.P..

G. Consider accepting an Offer of Dedication of utility easements and public rights-of-ways in various subdivisions. In accordance with CDO Article 5 the following final plats and easements are now ready for approval: Kensley East Subdivision, Cannon Run, and Minor Subdivision 361 Eastover Dr SE. Various utility easements and public rights-of-ways are offered by the owners.

Recommendation: Motion to accept the offer of dedication on the following plat and easements: Kensley East Subdivision, Cannon Run, and Minor Subdivision 361 Eastover Dr SE.

H. Consider authorizing the City Manager to accept an award in the amount of \$37,400 under the FY 2021 Patrick Leahy Bulletproof Vest Partnership Grant from the United States Department of Justice to purchase an estimated 115 vests over the next two years and to adopt a budget ordinance appropriating the grant funds. The Concord Police department received notification on October 14, 2021 for the FY 2021 Patrick Leahy Bulletproof Vest Partnership Grant from the United States Department of Justice. This grant reimburses agencies up to 50% of the costs of new, uniquely fitted bulletproof vests. The department projects needing to purchase 115 vest over the next two years at a total cost of \$74,750.00, of which the city would receive reimbursement of \$37,400 under the grant guidelines. The approval to apply for this award was granted by City Council at their June 10, 2021 meeting.

Recommendation: Motion to authorize the City Manage to accept an award in the amount of \$37,400 under the FY 2021 Patrick Leahy Bulletproof Vest Partnership Grant from the United States Department of Justice to purchase an estimated 115 vests over the next two years and to adopt a budget ordinance appropriating the grant funds.

I. Consider authorizing the City Manager to accept the award of \$20,905 from 2021 BJA FY 2021 Edward Byrne Memorial Justice Assistance Grant (JAG) Program-Local Solicitation to implement a weapon-mounted light program, consultant training, purchase "simunition" handgun conversion kits, "simunition" magazines for handgun and to adopt a budget ordinance to appropriate the grant funds. The Concord Police Department received official notification on October 14, 2021 for the 2021 BJA FY 2021 Edward Byrne Memorial Justice Assistance Grant (JAG) Program-Local Solicitation from the United States Department of Justice. Per JAG regulations, a portion of the money must be shared with Cabarrus County and the City of Kannapolis. The City of Concord will serve as the fiscal administering agency. Per an agreement based on the JAG formula, the City of Concord will receive the full amount of \$20,905, of which the City of Kannapolis is allocated \$9,028 and Cabarrus County is allocated \$3,554. The approval to apply for this award was granted by City Council at their July 8, 2021 meeting.

Recommendation: Motion to authorize the City Manager to accept the award in the amount of \$20,905 from 2021 BIA FY 2021 Edward Byrne Memorial Justice Assistance Grant (JAG) Program-Local Solicitation on behalf of the police department and to adopt a budget ordinance to appropriate the grant funds.

J. Consider adopting ordinances to amend the Electric Operating budget and the Utility Capital Reserve Project for a transfer of Electric reserves to the project fund. The Electric department is requesting that \$10,000,000 of reserves from FY2021 earnings be placed in the Utility Capital Reserve Project fund to fund future CIP projects. **Recommendation:** Motion to adopt ordinances to amend the Electric operating budget and the Utility Capital Reserve Project fund for a transfer of Electric reserves to the project fund.

K. Consider adopting a budget ordinance to increase the amount available for the Public Art Master Plan by \$15,000. The increase will provide approximately \$60,000 to complete the study. The Public Art Steering Committee expects to have a consultant recommendation for Council to consider in late November or December.

Recommendation: Motion to adopt a budget ordinance increasing funds for the Public Art Master Plan by \$15,000.

L. Consider authorizing the City Manager to enter into a contract with the North Carolina Department of Transportation (NCDOT) and execute all agreements and contracts with the NCDOT, Public Transportation Division (PTD), to receive Section 5303 Federal Transit Administration (FTA) funds for Metropolitan Planning for Transit. Each year, the City of Concord acts as lead agency for the Cabarrus-Rowan Urban Area Metropolitan Planning Organization (MPO) in an agreement with the North Carolina Department of Transportation (NCDOT) to receive Section 5303 Federal Transit Administration (FTA) funds for Metropolitan Planning for Transit. The purpose of the Section 5303 funds are to assist in the development of improved public transportation facilities, equipment, techniques, and methods with the cooperation of public transportation companies both public and private; and to provide assistance to state and local governments and their instrumentals in financing such systems, to be operated by public and private transportation companies as determined by local needs; and various federal urban transportation planning regulations require that each urbanized area have a comprehensive, cooperative, and continuing transportation planning process. For FY22, the NCDOT has allocated \$95,751 which covers the 80% federal share and the 10% state share. The remaining 10% share of \$9,576 is the local share which is split between the City of Concord and the City of Kannapolis. The budget was appropriated during the adoption of the FY22 budget ordinance.

Recommendation: Motion to authorize the City Manager to enter into a contract with the North Carolina Department of Transportation (NCDOT) and execute all agreements and contracts with the NCDOT, Public Transportation Division (PTD), to receive Section 5303 Federal Transit Administration (FTA) funds for Metropolitan Planning for Transit.

M. Consider adopting the proposed 2022 and 2023 Holiday Schedules. Staff recommends approving the 2022 and 2023 Holiday Schedules in accordance with Personnel Policy Article 6.4, Holiday Leave.

Recommendation: Motion to approve the 2022 and 2023 Holiday Schedules.

N. Receive quarterly report on water and wastewater extension permits issued by the Engineering Department in the third quarter of 2021. In accordance with City Code Chapter 62, attached is a report outlining the water and wastewater extension permits that were issued between July 1, 2021 and September 30, 2021.

Recommendation: Motion to receive the third quarter water and wastewater extension report for 2021.

O. Consider the required reporting related to the annual information on the Identity Theft Program. Staff is required to review the City's Identity Theft Detection and Prevention Program each year to ensure that the City is in compliance and also to ensure that the policy remains current. Staff is also required to disclose to City Council any identity theft issues that have been noted in the past 12 months. Staff has reviewed the current policy and has found no issues. The identity theft issues are detailed in the attached document for your review.

Recommendation: Motion to accept the annual report on the City's Identity Theft Program.

P. Receive monthly report on status of investments as of September 30, 2021. A resolution adopted by the governing body on 12/9/1991 directs the Finance Director to report on the status of investments each month.

Recommendation: Motion to accept the monthly report on investments.

Q. Consider approval of Tax Releases/Refunds from the Tax Collection Office for the month of September 2021. G.S. 105-381 allows for the refund and/or release of tax liability due to various reasons by the governing body. A listing of various refund/release requests is presented for your approval, primarily due to overpayments, situs errors and/or valuation changes.

Recommendation: Motion to approve the Tax releases/refunds for the month of September 2021.

R. Consider acceptance of the Tax Office reports for the month of September 2021.

The Tax Collector is responsible for periodic reporting of revenue collections for the Tax Collection Office.

Recommendation: Motion to accept the Tax Office collection reports for the month of September 2021.

- I. Matters not on the agenda
 - TAC
 - MTC
 - Centralina Regional Council
 - Concord/Kannapolis Transit Commission
 - WSACC
 - Public Art Advisory Committee
 - Concord Family Enrichment Association
 - PTT Committee
 - Barber Scotia Community Task Force Committee
 - Concord United Committee
- II. General comments by Council of non-business nature
- III. Closed Session (if needed)
- IV. Adjournment

*IN ACCORDANCE WITH ADA REGULATIONS, PLEASE NOTE THAT ANYONE WHO NEEDS AN ACCOMMODATION TO PARTICIPATE IN THE MEETING SHOULD NOTIFY THE CITY CLERK AT (704) 920-5205 AT LEAST FORTY-EIGHT HOURS PRIOR TO THE MEETING.

Staff Report

Planning and Zoning Commission

DATE: October 19th, 2021

CASE: TA-11-21 Text Amendment (Stormwater Inspection

Requirements)

PREPARED BY: Kevin Ashley, AICP –Deputy Planning Director

BACKGROUND

Staff has been approached by the Water Resources Department to make a corrective amendment to Section 4.4.7 of the Concord Development Ordinance (CDO) relative to the annual inspection requirements for stormwater facilities.

The Clean Water Act requires minimum stormwater control measures (SCMs) for developments of a certain size. The City is tasked with ensuring that the facilities are constructed and functioning as required. As part of that assurance, the developer is required to have a professional engineer conduct an annual inspection of the facilities, and to submit a report to the City.

The current version of Section 4.4.7 was authored in the early 2000s when the City was just beginning implementation of the minimum stormwater requirements. The proposed amendment deletes Section 4.4.7 and replaces it with simpler language which reflects current practice along with minimum State and Federal requirements. The amendment also includes a link to the stormwater website which will contain minimum technical requirements for the inspection and report process.

The amendment is in approval form and may be referred to City Council for their hearing in November.

4.4.7. ANNUAL INSPECTIONS AND INSPECTION REPORT.

- A. The person responsible for maintenance of the stormwater control measures or devices shall submit to the Stormwater Department of the City an inspection report from a qualified registered North Carolina professional engineer. For non-structural BMPs inspection reports may be performed by a qualified registered Landscape Architect.
- B. The inspections report shall contain all of the following:
 - 1. The name, address of the landowner;
 - 2. The recorded book and page number of the lot of each required stormwater control facility and required open space areas;
 - **3.** A statement that an inspection was made of all required stormwater control facilities, including open space areas;
 - 4. The date the inspection was made;
 - 5. A statement that all inspected stormwater control facilities and open space areas are performing properly and are in compliance with the approved stormwater management plan, the applicable maintenance manual required by Section 4.4.6, the Technical Standards Manual, and the Concord Development Ordinance. No sampling of pollutant loading is required as part of the inspection;
 - **6.** The original signature and seal of the engineer, surveyor, or landscape architect.
- C. All inspections reports shall be on forms supplied by the City. An original inspection report shall be given to the Stormwater Department of the City beginning from the date the as-built was first certified in accordance with Chapter 60 Article V and each year thereafter on the anniversary date of said certification.

4.4.7. INSPECTIONS AND DOCUMENTS.

A. INSPECTIONS

- The person responsible for maintenance of the Stormwater Control Measures (SCM), previously known as Best Management Practices (BMPs), shall submit to the Stormwater Department of the City an annual inspection report completed by a qualified registered North Carolina Professional Engineer.
- 2. The annual inspection is to be completed every year by the date publicized by the City. More information will be published by January 31 every year on the City of Concord's website, https://www.concordnc.gov/SCM-Inspections.
- 3. If the SCM is not working correctly or needs maintenance completed, the engineer shall note the maintenance required and supply a date that it should be completed and submit that report. Once the maintenance is completed, the engineer shall submit a passing, signed and sealed inspection report.

B. DOCUMENTS

1. The owner of each structural BMP shall keep records of stormwater plans, inspection reports, monitoring results, maintenance activities, and repairs for at least five years from the date of creation of the record and shall submit the same records upon request to the stormwater administrator.

4.4.7. ANNUAL INSPECTIONS AND INSPECTION REPORT.

- A. The person responsible for maintenance of the stormwater control measures or devices shall submit to the Stormwater Department of the City an inspection report from a qualified registered North Carolina professional engineer. For non-structural BMPs inspection reports may be performed by a qualified registered Landscape Architect.
- B. The inspections report shall contain all of the following:
 - 1. The name, address of the landowner;
 - 2. The recorded book and page number of the lot of each required stormwater control facility and required open space areas;
 - **3.** A statement that an inspection was made of all required stormwater control facilities, including open space areas;
 - 4. The date the inspection was made;
 - 5. A statement that all inspected stormwater control facilities and open space areas are performing properly and are in compliance with the approved stormwater management plan, the applicable maintenance manual required by Section 4.4.6, the Technical Standards Manual, and the Concord Development Ordinance. No sampling of pollutant loading is required as part of the inspection;
 - **6.** The original signature and seal of the engineer, surveyor, or landscape architect.
- C. All inspections reports shall be on forms supplied by the City. An original inspection report shall be given to the Stormwater Department of the City beginning from the date the as-built was first certified in accordance with Chapter 60 Article V and each year thereafter on the anniversary date of said certification.

4.4.7. INSPECTIONS AND DOCUMENTS.

A. INSPECTIONS

- The person responsible for maintenance of the Stormwater Control Measures (SCM), previously known as Best Management Practices (BMPs), shall submit to the Stormwater Department of the City an annual inspection report completed by a qualified registered North Carolina Professional Engineer.
- 2. The annual inspection is to be completed every year by the date publicized by the City. More information will be published by January 31 every year on the City of Concord's website, https://www.concordnc.gov/SCM-Inspections.
- 3. If the SCM is not working correctly or needs maintenance completed, the engineer shall note the maintenance required and supply a date that it should be completed and submit that report. Once the maintenance is completed, the engineer shall submit a passing, signed and sealed inspection report.

B. DOCUMENTS

1. The owner of each structural BMP shall keep records of stormwater plans, inspection reports, monitoring results, maintenance activities, and repairs for at least five years from the date of creation of the record and shall submit the same records upon request to the stormwater administrator.

AN ORDINANCE AMENDING THE ZONING ORDINANCE OF THE CITY OF CONCORD, NORTH CAROLINA

WHEREAS, the City of Concord, North Carolina pursuant to the authority conferred by the North Carolina General Statute §160A-364 enacted an Official Zoning Ordinance for the City of Concord, North Carolina and the Area of Extraterritorial Jurisdiction on July 28, 1977; and

WHEREAS, the City of Concord, North Carolina pursuant to the authority conferred by North Carolina General Statute §§160D-601 through 160D-605, 160D-701 through 160D-706, 160D-801 through 160D-808 and 160D-901 through 160D-951, may from time to time as necessary amend, supplement, change, modify or repeal certain of its zoning regulations and restrictions and zone boundaries; and

WHEREAS, the City of Concord, North Carolina pursuant to the authority conferred by North Carolina General Statute 160D-601 through 160D-605, 160D-701 through 160D-706, 160D-801 through 160D-808 and 160D-901 through 160D-951 does hereby recognize a need to amend the text of certain articles of the City of Concord Development Ordinance.

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Concord, North Carolina:

SECTION 1: That the following section of Concord Development Ordinance (CDO) Article 4 "Environmental/Land Disturbing Activities", Section 4.4 "Stormwater Control", Section 4.4.7 "Annual Inspections and Inspection Report". be deleted in its entirety.

SECTION 2: That the following section of Concord Development Ordinance (CDO) Article 4 "Environmental/Land Disturbing Activities", Section 4.4 "Stormwater Control", Section 4.4.7 "Inspections and Documents". be rewritten as follows:

4.4.7. INSPECTIONS AND DOCUMENTS.

A. INSPECTIONS

- The person responsible for maintenance of the Stormwater Control Measures (SCM), previously known as Best Management Practices (BMPs), shall submit to the Stormwater Department of the City an annual inspection report completed by a qualified registered North Carolina Professional Engineer.
- 2. The annual inspection is to be completed every year by the date publicized by the City. More information will be published by January 31 every year on the City of Concord's website, https://www.concordnc.gov/SCM-Inspections.
- 3. If the SCM is not working correctly or needs maintenance completed, the engineer shall note the maintenance required and supply a date that it should be completed and submit that report. Once the maintenance is completed, the engineer shall submit a passing, signed and sealed inspection report.

B. DOCUMENTS

1. The owner of each structural BMP shall keep records of stormwater plans, inspection reports, monitoring results, maintenance activities, and repairs for at least five years from the date of creation of the record and shall submit the same records upon request to the stormwater administrator.

Adopted in this November 11", 2021.

ORDINANCE

AN ORDINANCE GRANTING TO PUBLIC SERVICE COMPANY OF NORTH CAROLINA, INCORPORATED, AS, ITS SUCCESSORS AND ASSIGNS, THE RIGHT TO USE AND OCCUPY THE PUBLIC WAYS OF THE CITY OF CONCORD, NORTH CAROLINA, FOR THE CONSTRUCTION, OPERATION AND MAINTENANCE OF A GAS UTILITY SYSTEM AND ALL NECESSARY MEANS FOR TRANSMITTING AND DISTRIBUTING GAS WITHIN SAID TOWN FOR A PERIOD OF THIRTY YEARS.

WHEREAS, Public Service Company of North Carolina, Incorporated proposes to continue to construct, operate and maintain a Gas Utility System and all necessary means for transmission and distribution of gas within the City of Concord, North Carolina, (the "Town") and

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Concord, North Carolina as follows:

SECTION 1. DEFINITIONS.

Whenever and wherever used in this Ordinance the following words and names shall have the following meanings:

- (a) <u>TOWN COUNCIL</u> shall mean the governing body of the City of Concord, North Carolina, as now or hereafter constituted.
- (b) <u>COMPANY</u> shall mean Public Service Company of North Carolina, Incorporated, dba Dominion Energy North Carolina, its successors and assigns.
- (c) <u>TOWN</u> shall mean the City of Concord, North Carolina, including its present and future boundaries.
- (d) **DEPARTMENT OF TRANSPORTATION** shall mean the North Carolina Department of Transportation or its successor.
- (e) **GAS** shall mean natural gas, mixed gas and substitute fuels carried over the Company's facilities as authorized by the North Carolina Utilities Commission.
- (f) **GAS UTILITY SYSTEM** shall mean all facilities of the Company in the Town used for the transmission or distribution of Gas within the Town.

- (g) **FERC** shall mean any reference made to the Federal Energy Regulatory Commission or its successor.
- (h) <u>COMMISSION</u> shall mean the North Carolina Utilities Commission, or any successor body lawfully constituted.
- (i) <u>PUBLIC WAY OR WAYS</u> shall mean any public street, avenue, road, alley, lane, bridge, or other public right-of-way within the Town over which the Town has jurisdiction or exercises control.
- (j) GOOD UTILITY PRACTICES shall mean the practices, methods and acts engaged in or approved by a significant portion of the gas industry during the relevant time period or other practices, methods and acts which, in the exercise of reasonable judgment in light of the facts known at the time the decision was made, could have been expected to accomplish the desired result consistent with reliability, safety, expedition, requirements of governmental agencies having jurisdiction, and at the lowest reasonable cost. The term Good Utility Practices is not intended to be limited to the optimum practices, methods or acts to the exclusion of all others, but rather to constitute a spectrum of acceptable practices, methods, or acts.

SECTION 2. Grant of Authority

The right, power and authority is hereby granted to and vested in the Company to construct, install, replace, repair, maintain and operate transmission mains, gas mains, pipes, equipment, service lines, communications lines, facilities and other appurtenant apparatus of the gas system, for the purpose of operating a natural gas system along, across, and under the streets, alleys, bridges, rights-of-way, and other public places of the Town together with any necessary rights of access thereto; and to use that natural gas system to conduct a gas business. This granting of authority is provided that the Town as of the applicable time, has jurisdiction or exercises control of the public ways. This Franchise Agreement shall also permit the Company to exercise the rights granted herein without the need for additional permit(s) from the Town.

SECTION 3. Conditions on Use of Public Ways

- (a) No street, alley, bridge, right-of-way or other public place used by the Company shall be obstructed longer than reasonably necessary during its work of construction or repair and shall be restored to the same good order and condition as when said work was commenced. However, should any such damage occur due to the Company's failure to use due care, the Company shall repair the same as promptly as possible, and, in default thereof, the Town, after written notice and opportunity for the Company to repair, may make such repairs and charge the reasonable cost thereof and collect the same from the Company. The Company shall save the Town harmless from liability (including judgment, decrees, and legal court costs) resulting directly from its negligence and failure to use due care in the exercise of the privileges hereby granted or of its rights under this Section.
- (b) All work upon the streets and public places of the Town shall be done subject to reasonable inspection of the Town Manager or designee (or other legally constituted governing body) of the Town, all sidewalks or street pavements or street surfaces which may be displaced by reason of such work shall be properly replaced by the Company, its successors and assigns, to the reasonable requirements of the Town.
- (c) The Company shall coordinate with other utilities which use the Public Way. The Company shall provide information identifying the proposed location of Company facilities to the City Engineer and obtain the writte approval of the City Engineer in the form of a utility work permit prior to commencement of any work.

SECTION 4. Annexation Notification

The Town shall mail or email notice to the Company of areas annexed into the Town. Said notices shall include pertinent maps and/or tax map numbers, so that newly annexed customers may be identified.

SECTION 5. Service

(a) The Company may supply any form of gas containing approximately one thousand (1,000) BTU's per cubic foot, and its obligation in respect thereto shall continue only so long as it is able to

reasonably obtain an adequate supply of such gas hereunder, provided, however, that in the supply of such gas the customers within the Town shall enjoy equal rights with respect to other similar customers served by the Company consistent with Commission rules and regulations.

(b) The Company shall, as to all other conditions and elements of service not fixed herein, be and remain subject to the rules and regulations of the Commission, Department of Transportation, and FERC or its successors, applicable to gas service in the Town.

SECTION 6. Nonexclusive Grant and Term

- (a) The gas franchise granted by this Ordinance is not exclusive. The Town may grant the same or similar rights and privileges to other certified persons or companies at any time, provided that any such grants shall be made under terms and conditions which do not materially impair the exercise of the rights and privileges granted to the Company under this franchise.
- (b) Upon ratification and acceptance, this franchise shall constitute a contract between the Town and the Company and shall be in force and effect for an initial term of thirty (30) years and shall continue in force and effect year-to-year thereafter until properly terminated by either party. Either party may terminate the contract at the end of its initial term or its anniversary date any year thereafter, by giving written notice of its intention to do so no less than one (1) year before the proposed date of termination.

SECTION 7. Franchise Not Waiver of Law

This franchise is subject to the constitution and laws of the State of North Carolina and is not a waiver of any present or future law or regulation. This franchise is not a limitation of the authority of the Town to enact any ordinance or policy that does not diminish, conflict or impair the rights and authority granted to the Company in this franchise or otherwise impose additional obligations on the Company in order to exercise the rights granted herein.

SECTION 8. Regulations, Safety and Customer Service

- (a) Gas utility service is not guaranteed to be free from interruptions, supply failure or outages.
- (b) The Company will restore gas utility service using Good Utility practices.

- (c) The Company shall maintain and operate its Gas Utility System in compliance with applicable State and Federal maintenance and safety regulations.
- (d) Company vehicles, responding to natural gas emergencies, may park as close to the location of the emergency as is practicable.

SECTION 9. Commission Rules and Rates

The Company may from time to time declare, make and enforce such rules and regulations as shall have been fixed or allowed by the Commission as to the sale or distribution of Gas to any of its customers in the Town. The rates to be charged for Gas at all times shall be such rates as are fixed or allowed by the Commission, including such rates as shall be negotiated by the Company with certain industrial or commercial customers pursuant to authority granted by the Commission.

SECTION 10. Plat of Gas Utility System

The Company shall maintain maps or plats of its Gas Utility System within the area covered by this franchise. Such maps or plats shall be maintained in the Company's offices, and the Town may review the same during any regular business hours of the Company.

SECTION 11. Bankruptcy, Successors, Assigns

In the event the Company is adjudged bankrupt or its assets are placed in the hands of a receiver or other court officer, either voluntarily or involuntarily, then the interest, rights and remedies of the Town in respect to said properties and operations shall not be affected or prejudiced, and any receiver, assignee, trustee, purchaser or successor, whether by operation of law or otherwise, so succeeding to or representing the interest or position of the Company, shall be bound by this Ordinance and the terms and provisions hereof and shall be bound to carry out and perform the obligations and duties imposed upon the Company by this Ordinance. Likewise, if the Company reorganizes, merges, or consolidates with any other company, then the Town is bound by this Ordinance.

SECTION 12. Revocation

In the event the Company fails to comply with the provisions of this Ordinance and, within thirty (30) days after receipt of written notice from the Town, the Company fails to cure or remedy such default,

or to have begun reasonable measures to do so, then the Town may cause the Company to appear at a hearing before the Town upon thirty (30) days prior written notice. Any written notice to the Company shall be sent to Dominion Energy North Carolina, 800 Gaston Road Bldg. A Gastonia, North Carolina 28053 Attn: Economic Development & Local Government Manager. If at such hearing the Town should determine that the Company's failure or default has been substantial, repeated or flagrant, then upon such determination the Town may revoke and terminate this franchise; provided, however, that the Company may file with the Town within ten (10) days after such determination the Company's election to appeal to the proper North Carolina court, during the pendency of which the Ordinance shall remain in full force and effect. In that event the Town and Company agree that such court shall hear and determine *de novo* whether there has been substantial, repeated or flagrant failure or default by the Company of the terms, conditions or obligations of this Ordinance. Failure or default which cannot be corrected by the Company shall not be grounds for revocation or termination, unless such failure or default shall be determined to be material and continuing.

SECTION 13. Severability, Third Party Rights

- (a) If any provision in this contract is determined to be invalid, void or unenforceable by any court or regulatory body having jurisdiction, such determination shall not invalidate, void, or make unenforceable any other provision, agreement or covenant of this Contract. This Contract and all provisions herein will be subject to all applicable and valid statutes, rules, orders and regulations of any governmental authority having jurisdiction over the parties, their facilities, or gas supply, this Contract or transaction or any provisions thereof.
- (b) The rights hereunder in this Ordinance accrue exclusively to the parties, their successors and assigns. It is the express intent of the parties that this franchise shall not create any rights in third parties.

<u>SECTIO</u>	N 14. Effective Date, Term, Adoption, a	nd Ratification		
(a) T	This Ordinance shall be effective from and	d after the	day of,	2021, provided the
Compan	y shall have executed the written acceptar	nce hereof at the	e end of this O	rdinance, and shall
exist in f	force for a period of 30 years hereafter, a	nd continue in t	force year to y	ear thereafter until
cancelle	d upon written notice of either party at leas	t eighteen mont	hs in advance.	
(b) A	Il other Ordinances and clauses of Ordinar	nces in conflict h	nerewith are he	ereby repealed.
Д	Adopted by the City of Concord on the	day of		, 2021, and hereby
ratified.

Sec. 42-2. – Beer, wine and, and cider prohibited in certain areas; Extension of Licensed Premises.

- (a) Except where the city is the lessor and crossing a sidewalk with malt beverages or unfortified wine is necessary to reach the leasehold or an encroachment permitted under section 50-50 et seq., and except in accordance with subsection (b) of this Section, it shall be unlawful for any person to distribute or consume malt beverages or unfortified wine on any city street, sidewalk or alley, any municipal parking lot, or on the grounds of any public building of the city; or any real estate owned or controlled by the city including, but not limited to, public parks, playgrounds, tot lots, recreational fields, tennis courts or other athletic field, or in any buildings owned or rented by the city, except those buildings where appropriate ABC permits have been issued by the state, provided that the requirements of subsection (b) of this Section are met. In addition to the civil penalties provided for in section 1-6, violation of this section shall be a misdemeanor punishable by a fine not to exceed \$50.00 as provided for in G.S. § 14-4.
- (b) Extension of Licensed Premises. A permittee holding a permit issued under Article 10 or 11 of N.C.G.S. Chapter 18B, that allows the on-premises consumption of alcoholic beverages may utilize an area that is not part of the permittee's licensed premises for the outdoor possession and consumption of alcoholic beverages sold by the permittee upon application to the Concord Police Department and subject to all of the requirements of N.C.G.S. 18B-904(h) including, but not limited to:
 - (1) If the property to which the premises will be extended is not owned by the permittee, the owner of the property has provided written permission to the permittee allowing the use of the property for the purpose set forth in this subsection.
 - (2) The permittee has provided written notification, including the diagram required under subdivision (4) of this subsection and, if applicable, a copy of the written permission required under subdivision (1) of this subsection, to the district office of the ALE Division, and the City of Concord Police Department.
 - (3) The permittee shall visibly and vertically mark off the extended area so a reasonable person could distinguish between the extended area and any sidewalk or walkway.
 - (4) The permittee shall maintain a diagram on the licensed premises detailing the size and location of the extended area. The diagram required under this subdivision shall have the boundaries of the extended area clearly marked, specify the types of barriers used to mark the boundaries of the extended area, and specify the number of tables and seats placed in the extended area.
 - (5) The extended area shall not be used to increase the occupant load of the

licensed premises. For purposes of this section, "occupant load" is as used in Section 1004 of the 2018 North Carolina Building Code.

- (6) The extended area shall comply with all applicable laws governing accessibility.
- (7) Except as allowed under G.S. 18B-904.1 or to reenter the licensed premises, a person shall not exit an extended area with an alcoholic beverage purchased from the permittee.
- (8) Any additional requirements imposed by the North Carolina Alcoholic Beverage Commission through the adoption of rules.
- (9) All extensions must be contiguous to the licensed premises.
- (10) No permittee shall be permitted more than twelve extensions in any twelve-month period.
- (11) Extensions may be granted for up to seventy-two hours per application.

(Code 1987, § 9-4; Ord. No. 02-44, § 1, 7-11-02; Ord. No. 12-113, § 1, 10-11-12)

October 26, 2021

Mr. Alex Burris Director of Electric Systems City of Concord P. O. Box 308 Concord, North Carolina 28025

Ref.: Delivery #4 & Sub Q Construction

Bid Recommendation

Dear Alex:

The City received sealed proposals at 1:30 p.m. on October 20, 2021 from eight contractors for the substation construction at Delivery #4 and Substation Q. The eight bids were reviewed for compliance with the specifications and relevant project experience. A bid tabulation is attached.

The low bid was submitted by Pike Electric, LLC. from Mount Airy, NC in the amount of \$1,629,248.25. Pike Electric has extensive experience constructing substations and has successfully completed projects with the Electric Department.

We recommend that the City accept Pike Electric's proposal and proceed with executing the contract documents. Please let us know if you have any questions or need any additional information.

Very Truly Yours,

SOUTHEASTERN CONSULTING ENGINEERS, INC.

Mr. Alex Burris **Electric Systems Director** City of Concord P.O. Box 308 Concord, North Carolina 28025

Ref.: Substation T Equipment Bids

Dear Alex:

The City received sealed proposals on October 20, 2021, from fifteen suppliers solicited for providing substation equipment that will be installed at the City's new Substation T. A bid tabulation is attached. Each bid was reviewed for compliance with the technical specifications and purchase price. Based on the preceding factors the following vendors submitted the lowest responsive and compliant bid:

<u>Schedule I – Delivery #4 Steel Structure</u>

DIS-TRAN Packaged Substations Engineering, PLLC 4725 Highway 28 E Pineville, LA 71360 Proposal # 102599

Delivery: 22-24 weeks

<u>Description</u>	Quantity	<u>Total Price</u>
115 – 13.2 kV Substation Structure	1	\$491,320.00

Schedule II - Power Transformers

Virginia Transformer Corporation 220 Glade view Drive, NE Roanoke, VA 24012 Order # G213902A

Delivery 26-27 Weeks

<u>Description</u>	Quantity	<u>Unit Price</u>	<u>Total Price</u>
101.25-13.2 kV, 22.4/29.8/37.3 MVA	2	\$928,812.00	\$1,857,624.00
Offloading	2	\$18,000.00	\$36,000.00 (Incl.)
Commissioning	2	Included	<u>Included</u>
Total Sch. II			\$1,857,624.00

Schedule III – 115 kV Circuit Switchers

S&C Electric Company C/O RW Chapman Company 1338 Hundred Oaks Drive, Suite D Charlotte, NC 28217 Quote# Q-46668-1 Delivery 24-26 Weeks

<u>Description</u>	Quantity	<u>Unit Price</u>	<u>Total Price</u>
115 kV Circuit Switcher	2	\$58,330.10	<u>\$116,660.20</u>

<u>Schedule IV – 15 kV Circuit Breakers</u>

ABB, Inc. 650 Century Point Suite 1050 Lake Mary, FL 32746 Order # QT-21-01984741.A

Delivery 22 Weeks

<u>Description</u>	Quantity	<u>Unit Price</u>	<u>Total Price</u>
MB11230TTML4ABZC – 2000A	2	\$21,987.58	\$43,975.16
MB11120LLML4ABZC – 1250A	12	\$16,848.87	\$202,186.44
Total Sch. IV			<u>\$246,161.60</u>

Schedule V - Relay and Control Panels

Electrical Power Products, Inc. 4240 Army Post Road Des Moines, Iowa 50321 Quote # 32509 13-14 Weeks

<u>Description</u>	Quantity	<u>Total Price</u>
Relay and Control Panels	1	<u>\$116,486.00</u>

<u>Schedule VI – Equipment Houses</u>

VFP, Inc.

5410 Fallowater Lane

Roanoke, VA 24018

Quote # SECE-42

Delivery 20 Weeks

Description	Quantity	Total Price		
Control Houses	1	\$79,041.00		
Freight	1	\$4,732.00		
Offloading	1	<u>\$7,475.00</u>		
Outside Plant Services	0	Not Included		
Total Sch. VI		\$91,248.00		

The total cost for the five schedules is \$2,919,499.80. We recommend that the City accept the proposals and issue a purchase order to the above Vendors. If you have any questions, please do not hesitate to contact us.

Very truly yours,

SOUTHEASTERN CONSULTING ENGINEERS, INC.

Jerry L. Ford, Jr., P.E.

Senior Design Engineer

CAPITAL PROJECT ORDINANCE AMENDMENT Parks & Recreation Projects-McEachern Hospital Phase

BE IT ORDAINED by the City Council of the City of Concord, North Carolina that pursuant to Section 13.2 Chapter 159 of the General Statutes of North Carolina, the following project ordinance is hereby adopted/amended:

- SECTION 1. The projects authorized are the projects included for the McEachern-Hospital Phase Greenway.
- SECTION 2. The City Manager is hereby authorized to proceed with the implementation and amendments of the projects within the terms of the plans and specifications for the projects.
- SECTION 3. The following revenues are anticipated to be available to the City of Concord for the completion of the projects:

Revenues

Account	Title	Current Budget	Amended Budget	(Decrease) Increase
420-4501280 420-4501280	Transfer from P&R Reserve	\$1,126,816	\$1,237,716	\$110,900
				\$110,900

SECTION 4. The following amounts are appropriated for the project:

Expenses/Expenditures

Account	Title		Current Budget	Amended Budget	(Decrease) Increase
8300-5811018 8300-5811018	McEachern-Hospital Phase	Total	\$945,515	\$1,056,415	\$110,900 \$110,900

SECTION 5. Accounting records are to be maintained by the Finance Department of the City of Concord in such manner as (1) to provide all information required by the project agreement and other agreements executed or to be executed with the various parties involved with the project; and (2) to comply with the Local Government Budget and Fiscal Control Act of the State of North Carolina.

SECTION 6. Within five (5) days after adoption, copies of this capital projects ordinance shall be filed with the City Manager, Finance Director, and City Clerk for direction in carrying out this project.

SECTION 7. The Finance Director is directed to report on the financial status of this project in accordance with the existing City policy, and shall also report to the City Manager any unusual occurrences.

Duly adopted by the City Council of the City of Concord, North Carolina this 10th day November, 2021.

PARKS & CAPITAL RESERVE FUND ORDINANCE AMENDED

BE IT ORDAINED by the City Council of the City of Concord, North Carolina that pursuant to Section 18-22 Chapter 159 of the General Statutes of North Carolina, the following Capital Reserve Fund ordinance is hereby amended:

SECTION 1. The purpose authorized is to accumulate funds for future capital projects and capital outlay. Funds will be accumulated until such time the City Council designates the funds for projects or capital outlay. These funds may only be designated for projects that are listed in the City's Capital Improvement Plan or capital outlay approved in the City's operating budget ordinance. The General Fund will serve as the funding source for the Capital Reserve Fund upon City Council approval and withdrawals must be approved by City Council through an ordinance.

SECTION 2. The City Manager is hereby authorized to proceed with the implementation and amendments of the project/projects within the terms of the plans and specifications for the projects.

SECTION 3. The following revenues & expenditures are anticipated to be available to the City of Concord for this fund:

Account	Title	Current Budget	Amended Budget	(Decrease) Increase	
8100-5987000 8100-5987000	Transfer to Project Fund	\$903,960	\$1,014,860	\$110,900	
8100-5811082 8100-5811082	Future Projects	\$1,861,722	\$1,750,822	\$(110,900)	

SECTION 4. Accounting records are to be maintained by the Finance Department of the City of Concord in such manner as (1) to provide all information required by the capital reserve fund and (2) to comply with the Local Government Budget and Fiscal Control Act of the State of North Carolina.

SECTION 5. Within five (5) days after adopted, copies of this capital reserve fund amendments/adoption shall be filed with the City Manager, Finance Director, and City Clerk for direction in carrying out the purpose of this fund.

SECTION 6. The Finance Director is directed to report on the financial status of this fund in accordance with the existing City policy. She shall also report to the City Manager any unusual occurrences.

Duly adopted by the City Council of the City of Concord, North Carolina this 10th day of November, 2021.

Comments

Site must be clear, level, free of obstructions, and accessible.

Pricing does not include:

- Removal and Disposal of existing equipmnet/surfacing
- Drainage
- Permits
- Bonding

Pricing valid through 11/9/2021 only. All orders received after 11/9/2021 will be subject to 2022 pricing.

McGee Park Playground-Option 2 (rev 10.22.21)

TERMS & CONDITIONS:

- PRICING: Due to volitile economic demand, pricing is valid for 30 days. Pricing is subject to change. Request updated pricing
 when purchasing from quotes more than 30 days old.
- PAYMENT TERMS: Net 30 days subject to approval by Credit Manager. A signed P.O. made out to Cunningham Recreation or this signed
 quotation is required for all orders unless otherwise noted. Equipment shall be invoiced separately from other services and shall be payable
 in advance of those services and project completion. Checks should be made payable to Cunningham Recreation unless otherwise
 directed.
- FINANCE CHARGE: A 1.5% monthly finance charge (or as permitted by law) will be added to invoices over 30 days past due.
- TAXES: Taxes will be be shown as a separate line item when included. Any applicable taxes not shown will be added to final invoice. A copy of your tax exemption certificate must be submitted at time of order or taxes will be added to your invoice.
- SHIPMENT: Multiple shipments may be required based on point of origin. Above costs assume one shipment for each vendor quoted.
- **LEAD TIME**: Standard orders ship **12-14 weeks** after receipt of order and acceptance of your purchase order, color selections, approved submittals (if required) unless otherwise noted. Custom equipment and shades may require a longer lead times. Surfacing lead time is approximately 2 weeks after scheduling request.
- **DELIVERY:** It is the responsibility of the owner to offload and inventory equipment, unless other arrangements have been made. Missing or damaged equipment must be reported within 60 days of acceptance of delivery.

INSTALLATION CONDITIONS:

- · ACCESS: Site should be clear, level and allow for unrestricted access of trucks and machinery.
- STORAGE: Customer is responsible for providing a secure location to off-load and store the equipment during the installation process.

 Once equipment has delivered to the site, the owner is responsible should theft or vandalism occur unless other arrangements are made and noted on the quotation.
- FOOTER EXCAVATION: Installation pricing is based on footer excavation through earth/soil only. Customer shall be responsible for unknown conditions such as buried utilities (public & private), tree stumps, rock, or any concealed materials or conditions that may result in additional labor or materials cost.
- UTILITIES: Installer will contact Miss Utility to locate all public utilities prior to layout and excavation of any footer holes. Owner is
 responsible for locating any private utilities.
- ADDITIONAL COSTS: Pricing is based on a single mobilization for installation unless otherwise noted. Price includes ONLY what is stated in this quotation. If additional site work or specialized equipment is required, pricing is subject to change.

October 29, 2021

Mayor Bill Dusch City of Concord PO Box 308 Concord, NC 28026

Mayor Dusch:

On behalf of Cabarrus Events and the entire parade committee I would like to thank you for the support you have given us for the parade. This year the parade will be like no other. We are proud to honor our Essential Workers this year.

At this time I would like to ask the City of Concord to provide insurance for the parade as they have done in the past. This has always been a great help to us.

Please let me know if this is something that can be done again this year.

Thank you for your assistance.

Brenda Drye
Executive Director
Cabarrus Events Association

STORMWATER CONTROL MEASURE (SCM), ACCESS EASEMENT

VIAINTENANCE AGREEMENT ("A	Agreement"), made this	day of	, 2021
Odell 73 Investments, LLC, whose printer in the control of the con	<u> </u>	•	
of the State of North Carolina, whose a 'Grantee' or "City").			
	WITNESSETI	Н:	
WHEREAS, THE CITY MEASURES (SCMs), ACCESS EAS			
WHEREAS, Grantor is the Concord, County of Cabarrus, North Highway, Concord, NC, Cabarrus Cosame land described in deed recorde 12364/209, 12364/227, and 12364/2 hereinafter referred to as the "Proper	Carolina and more particularity Property Identification of the Books and Pages 123 in the Office of the	cularly described a on Number (PIN): 4 355/183, 12364/19	s follows: 8825 David 4681-68-0773, It being 2, 12364/196, 12364/2

WHEREAS, Grantor desires to develop or redevelop all or portions of the Property; and

WHEREAS, the Property is located within the planning jurisdiction of the City of Concord, and subject to certain requirements set forth in the City of Concord Code of Ordinances Chapter 60, the Concord Development Ordinance, (hereafter "CCDO"), and the Concord Technical Standards Manual (hereafter "Concord Manual"); and

WHEREAS, conditions for development and/or redevelopment of the Property includes (i) construction, operation and maintenance of an engineered stormwater control structure, namely a V Detention Basin, as provided in the CCDO and the Concord Manual (the "Stormwater Control Measure" "SCM"), (ii) Grantors' dedication of a non-exclusive access easement to the City, as described in the Concord Manual (the "Stormwater Control Measure").

BN 39315585v3

greement, for inspection and maintenance of the Stormwater Control Measure; and (iii) the assumption brantor of certain specified maintenance and repair responsibilities; and

WHEREAS, this Agreement and the easements created herein are established in accordance with requirements of N.C.G.S. Sec 143-211 *et. seq.*, Article 4 of the CCDO and Article I of the Concordanual; and

WHEREAS, Grantor has the full authority to execute this Agreement so as to bind the Property and current and future owners and/or assigns.

NOW, THEREFORE, for valuable consideration, including the benefits Grantor may derive the om, the receipt and sufficiency of which is hereby acknowledged, Grantor hereby dedicates, bargair rants and conveys unto Grantee, and its successors and assigns, a perpetual, and irrevocable right and no xclusive easement in gross (of the nature and character and to the extent hereinafter set forth) in, on, over nder, through and across those portions of the Property shown on the attached Exhibit "A" titled "SC asement Plat For Odell 73 Investments, LLC" and labeled "Stormwater Control Measure Acce nd Maintenance Easement 31,466 SQ. FT. 0.72 Acres" for the purpose of inspection and maintenanf the Stormwater Control Measure (hereinafter referred to as "SCM Easement"). Within the SCM Easeme rantor shall conduct best management practices as more fully set forth herein and in the CCDO at oncord Manual. Also within the SCM Easement, Grantor shall construct, maintain, repair and reconstru ne Stormwater Control Measure or SCM, which include (i) the SCM and any other stormwater quanti nd/or quality control devices and/or structures, described on the plans approved by the City of Concord a led at the A.M. Brown Operations Center, 850 Warren Coleman Blvd., Concord, NC 28025; and (ii) acce the aforesaid SCM as shown on the attached Exhibit "A" titled "SCM Easement Plat For Odell" avestments, LLC" and labeled "Stormwater Control Measure Access and Maintenance Easeme 1,466 SQ. FT. 0.72 Acres" for the purpose of permitting City access, inspection and, in accordance wi ne terms of paragraph 4 of this Agreement, maintenance and repair of the SCM, as more fully set for erein and in the CCDO and Concord Manual. Except as set forth herein, nothing contained in the greement shall be deemed to be a gift or dedication of any portion of Grantor's Property to the gener ublic or for any public use or purpose whatsoever, and further except as specifically provided herein for the enefit of the City, no rights, privileges or immunities of Grantor shall inure to the benefit of any third-part or shall any third-party be deemed to be a beneficiary of any of the provisions contained herein.

The additional terms, conditions, and restrictions of this Agreement are:

- 1. The requirements pertaining to the SCM Easements are more fully set forth in the current adopted and published editions of the following four (4) documents: (i) Article 4 of the CCDO, (ii) Article I, Section of the Concord Manual, (iii) the Wet Detention Basin Inspection and Maintenance Plan attached as Exhibited and (iv) as provided in the N.C. Dept. of Environment and Natural Resources (DENR) Stormwater Betanagement Practices (BMP) Manual (the "NCDENR Manual"), all of which are incorporated herein beference as if set forth in their entireties below. Grantor agrees to abide by all applicable codes including the not limited to, those set forth above. All provisions required by the CCDO Section 4.4.6.B.1 and accorporated herein by reference, and Grantor agrees to abide by said provisions. Grantor further agrees the trantor shall perform the following, all at its sole cost and expense:
 - a. All components of the SCM and related improvements within the SCM Easements are to be kept in good working order.

- b. The components of the SCM and related improvements within the SCM Easements shall be maintained by Grantor as described in "Exhibit B", the Wet Detention Basin Inspection and Maintenance Plan.
- 2. Upon completion of the construction of the SCM, Grantor's N.C. registered professional engine shall certify in writing to the Concord Director of Water Services that the SCM and all components a constructed and initially functioning as designed. Annual inspection reports (hereinafter referred to Annual Report(s)") are required each year and shall be made by Grantor on the written schedule provide to Grantor in advance by the City. The Annual Report(s) shall describe the condition and functionality the SCM, and shall describe any maintenance performed thereon during the preceding year. The Annual Report(s) shall be submitted with the signature and seal of Grantor's N.C. registered professional engine conducting the inspection. If necessary, the City will provide a letter describing the maintenance necessary to keep the SCM and all components and structures related to the SCM functioning as designed and we reasonable timeframes in which to complete the maintenance. If the Annual Report(s) recommendant tenance actions, the repairs shall be made within a reasonable time as defined by the City.

Grantor and Grantee understand, acknowledge and agree that the attached Inspection a Maintenance Plan describes the specific actions needed to maintain the SCM.

- 3. Grantor represents and warrants that Grantor is financially responsible for construction maintenance, repair and replacement of the SCM, its appurtenances and vegetation, including mpoundment(s), if any. Grantor agrees to perform or cause to be performed the maintenance as outlined the attached Inspection and Maintenance Plan and as provided in the NCDENR Manual. Grantor and as subsequent transferee of Grantor or succeeding owner of the Property shall give the City written notice the transfer of a fee or possessory interest in the Property listing the transferee's name, address of the Grantor or succeeding owner of the Property shall not be responsible for errors or omissions in the information about the transferee provided to the City caused by acts or omissions of the transferee. The transferee shall give the City written notice of the acceptance and any future transfer of an interest in the Property listing the transferee's name, address of the Property; transferee's mailing address and other containformation. Upon the conveyance of the Property by Grantor to any transferee acquiring the Property means of a conveyance document containing the language set forth in paragraph 9 below, Grantor is released from any further covenants or other obligations set forth in this Agreement.
- 4. If Grantor fails to comply with these requirements, or any other obligations imposed herein, the City of Concord Code of Ordinances, CCDO, the Concord Manual or approved Inspection a Maintenance Plan, the City of Concord may perform (but is not obligated to perform) such work as Grants responsible for and recover the costs thereof from Grantor.
 - 5. This Agreement gives Grantee the following affirmative rights:

Grantee, its officers, employees, and agents may, but is not obligated, to enter the SCM Easeme whenever reasonably necessary for the purpose of inspecting same to determine compliance herewith, maintain same and make repairs or replacements to the SCM, their appurtenances and condition(s) as more necessary or convenient thereto in the event Grantor defaults in its obligations and to recover from Granthe cost thereof, and in addition to other rights and remedies available to it, to enforce by proceedings at low in equity the rights, covenants, duties, and other obligations herein imposed in this Agreement.

- Grantor shall neither obstruct nor hinder the passage of vehicular traffic and pedestrians with he paved portion of the access easement granted herein by Grantor to Grantee.
- 7. Grantor shall, in all other respects, remain the fee owners of the Property and areas subject to a SCM Easements, and may make all lawful uses of the Property not inconsistent with this Agreement and a Easements granted herein.
- Grantee neither waives nor forfeits the right to act to ensure compliance with the terms, conditional purposes of the SCM Easements and this Agreement by a prior failure to act.

9. Grantor agrees:

a. That a reference to the deed book and page number of this document in a form su	ıbstantially sin	ŋi

Exhibit A

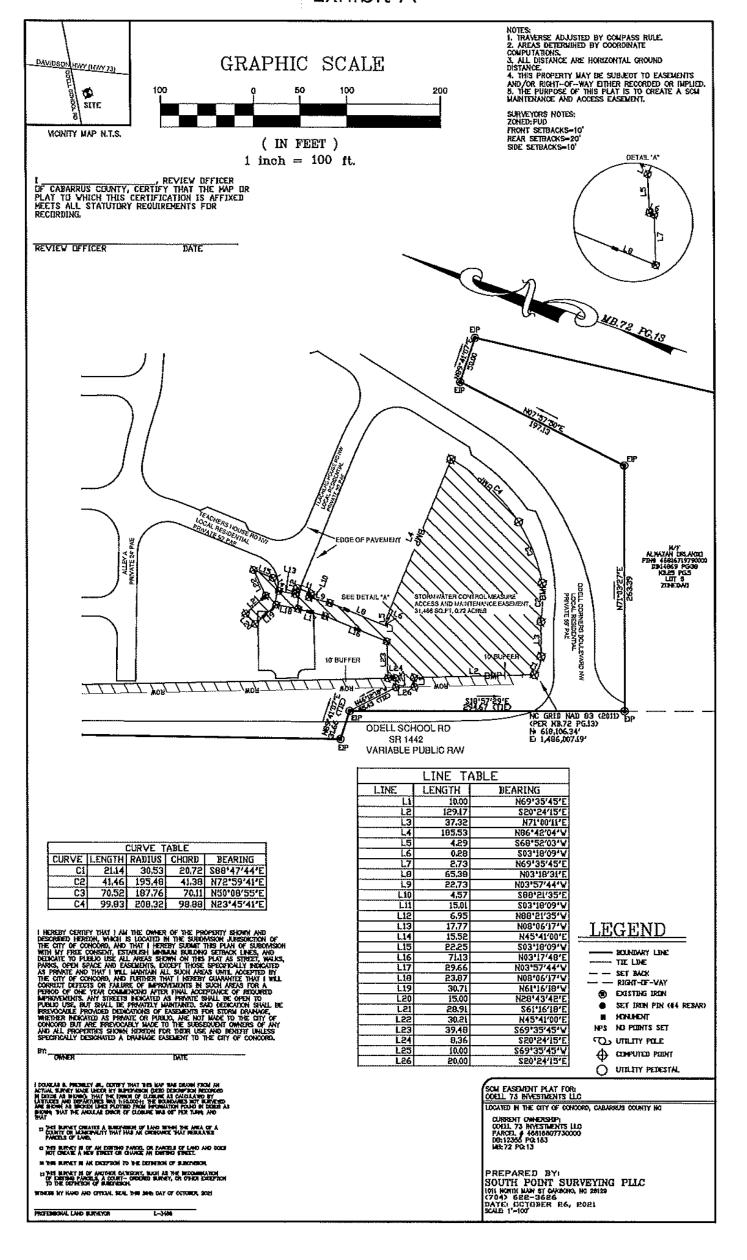

Exhibit B

Wet Detention Basin Inspection and Maintenance Plan

Grantor agrees to keep a maintenance record on this SCM. This maintenance record will be kept in a log in a known set location. Any deficient SCM elements noted in the inspection will be corrected, repaired or replaced immediately. These deficiencies can affect the integrity of structures, safety of the public, and the removal efficiency of the SCM.

The wet detention basin system is defined as the wet detention basin, pretreatment including forebays and the vegetated filter if one is provided.

This system (check one): \square does \square does not	incorporate a vegetated filter at the outlet.
This system (check one): ☐ does ☒ does not	incorporate pretreatment other than a forebay.

Important maintenance procedures:

- Immediately after the wet detention basin is established, the plants on the vegetated shelf and perimeter of the basin should be watered twice weekly if needed, until the plants become established (commonly six weeks).
- No portion of the wet detention pond should be fertilized after the first initial fertilization that is required to establish the plants on the vegetated shelf.
- Stable groundcover should be maintained in the drainage area to reduce the sediment load to the wet detention basin.
- If the basin must be drained for an emergency or to perform maintenance, the flushing of sediment through the emergency drain should be minimized to the maximum extent practical.
- Once a year, a dam safety expert should inspect the embankment.

After the wet detention pond is established, it should be inspected once a month and within 24 hours after every storm event greater than 1.0 inches. Records of inspection and maintenance should be kept in a known set location and must be available upon request.

Inspection activities shall be performed as follows. Any problems that are found shall be repaired immediately.

SCM element:	Potential problem:	How I will remediate the problem:
The entire SCM	Trash/debris is present.	Remove the trash/debris.
The perimeter of the wet detention basin	Areas of bare soil and/or erosive gullies have formed.	Regrade the soil if necessary to remove the gully, and then plant a ground cover and water until it is established. Provide lime and a one-time fertilizer application.
	Vegetation is too short or too long.	Maintain vegetation at a height of approximately six inches.

SCM element:	Potential problem:	How I will remediate the problem:
The inlet device: pipe or swale	The pipe is clogged.	Unclog the pipe. Dispose of the sediment off-site.
	The pipe is cracked or otherwise damaged.	Replace the pipe.
	Erosion is occurring in the swale.	Regrade the swale if necessary to smooth it over and provide erosion control devices such as reinforced turf matting or riprap to avoid future problems with erosion.
The forebay	Sediment has accumulated to a depth greater than the original design depth for sediment storage.	Search for the source of the sediment and remedy the problem if possible. Remove the sediment and dispose of it in a location where it will not cause impacts to streams or the SCM.
	Erosion has occurred.	Provide additional erosion protection such as reinforced turf matting or riprap if needed to prevent future erosion problems.
	Weeds are present.	Remove the weeds, preferably by hand. If pesticide is used, wipe it on the plants rather than spraying.
The vegetated shelf	Best professional practices show that pruning is needed to maintain optimal plant health.	Prune according to best professional practices
	Plants are dead, diseased or dying.	Determine the source of the problem: soils, hydrology, disease, etc. Remedy the problem and replace plants. Provide a one-time fertilizer application to establish the ground cover if a soil test indicates it is necessary.
	Weeds are present.	Remove the weeds, preferably by hand. If pesticide is used, wipe it on the plants rather than spraying.
The main treatment area	Sediment has accumulated to	Search for the source of the
	a depth greater than the original design sediment storage depth.	sediment and remedy the problem if possible. Remove the sediment and dispose of it in a location where it will not cause impacts to streams or the SCM.
	Algal growth covers over 50% of the area. Cattails, phragmites or other invasive plants cover 50% of the basin surface.	Consult a professional to remove and control the algal growth. Remove the plants by wiping them with pesticide (do not spray).

SCM element:	Potential problem:	How I will remediate the problem:
The embankment	Shrubs have started to grow on the embankment.	Remove shrubs immediately.
	Evidence of muskrat or beaver activity is present.	Use traps to remove muskrats and consult a professional to remove beavers.
	A tree has started to grow on the embankment.	Consult a dam safety specialist to remove the tree.
	An annual inspection by an appropriate professional shows that the embankment needs repair.	Make all needed repairs.
The outlet device	Clogging has occurred.	Clean out the outlet device. Dispose of the sediment off-site.
	The outlet device is damaged	Repair or replace the outlet device.
The receiving water	Erosion or other signs of damage have occurred at the outlet.	Contact the local NC Division of Water Quality Regional Office, or the 401 Oversight Unit at 919-733-1786.

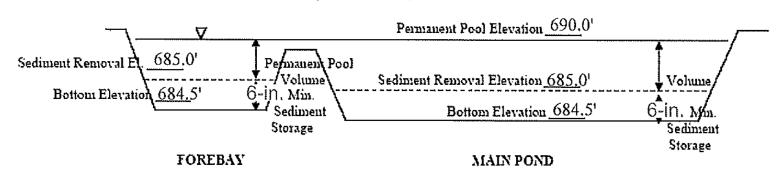

The measuring device used to determine the sediment elevation shall be such that it will give an accurate depth reading and not readily penetrate into accumulated sediments.

Elevations used are approved design or equivalent as-built elevations.(Indicate which is being indicated in this document.)

When the permanent pool depth reads <u>5.0</u> feet in the main pond, the sediment shall be removed.

When the permanent pool depth reads <u>5.0</u> feet in the forebay, the sediment shall be removed.

NORTH CAROLINA CABARRUS COUNTY

STORMWATER CONTROL MEASURE (SCM), ACCESS EASEMENT AND MAINTENANCE AGREEMENT

THIS STORMWATER CONTROL MEASURE (SCM), ACCESS EASEMENT AND MAINTENANCE AGREEMENT ("Agreement"), made this ____/___ day of _____OCTOBER_, 2021, by Stor-All Derita Road, L.P. as successor by merger to Concord Stor-All, LLC, a North Carolina limited partnership, whose principal address is 141 SE 1st Street, Deerfield Beach, FL 33441 (hereinafter referred to as "Grantor"), with, to, and for the benefit of the City of Concord, a municipal corporation of the State of North Carolina, whose address is P.O. Box 308, Concord North Carolina 28026-0308, (hereinafter "Grantee" or "City").

WITNESSETH:

WHEREAS, THE CITY COUNCIL ACCEPTED THIS STORMWATER CONTROL MEASURES (SCMs), ACCESS EASEMENT AND MAINTENANCE AGREEMENT ON _____

WHEREAS, Grantor is the owner in fee simple of certain real property situated in the City of Concord, County of Cabarrus, North Carolina and more particularly described as follows: 2875 Derita Road, Concord, NC, Cabarrus County Property Identification Number (PIN): 4589-46-9776. Stor-All Derita Road, L.P. is the successor by merger to Concord Stor-All, LLC as described in Deed Book and Page 13938/277. It being the same land described in deed recorded in Book and Page 13091/191 in the Office of the Register of Deeds for Cabarrus County (hereinafter referred to as the "Property"); and

WHEREAS, Grantor desires to develop or redevelop all or portions of the Property; and

WHEREAS, the Property is located within the planning jurisdiction of the City of Concord, and is subject to certain requirements set forth in the City of Concord Code of Ordinances Chapter 60, the Concord Development Ordinance, (hereafter "CCDO"), and the Concord Technical Standards Manual (hereafter "Concord Manual"); and

WHEREAS, conditions for development and/or redevelopment of the Property includes (i) the construction, operation and maintenance of an engineered stormwater control structure, namely a Grass Biotretention, as provided in the CCDO and the Concord Manual (the "Stormwater Control Measure" or

BN 39315585v3

"SCM"), (ii) Grantors' dedication of a non-exclusive access easement to the City, as described in this Agreement, for inspection and maintenance of the Stormwater Control Measure; and (iii) the assumption by Grantor of certain specified maintenance and repair responsibilities; and

WHEREAS, this Agreement and the easements created herein are established in accordance with the requirements of N.C.G.S. Sec 143-211 et. seq., Article 4 of the CCDO and Article I of the Concord Manual; and

WHEREAS, Grantor has the full authority to execute this Agreement so as to bind the Property and all current and future owners and/or assigns.

NOW, THEREFORE, for valuable consideration, including the benefits Grantor may derive there from, the receipt and sufficiency of which is hereby acknowledged, Grantor hereby dedicates, bargains, grants and conveys unto Grantee, and its successors and assigns, a perpetual, and irrevocable right and nonexclusive easement in gross (of the nature and character and to the extent hereinafter set forth) in, on, over, under, through and across those portions of the Property shown on the attached Exhibit "A" titled "Easement Survey Property of Stor-All Derita Road, L.P." and labeled "Stormwater Control Measures Maintenance & Access Easement 0.509 Acre [22,168 SQ. FT.]" for the purpose of inspection and maintenance of the Stormwater Control Measure (hereinafter referred to as "SCM Easement"). Within the SCM Easement Grantor shall conduct best management practices as more fully set forth herein and in the CCDO and Concord Manual. Also within the SCM Easement, Grantor shall construct, maintain, repair and reconstruct the Stormwater Control Measure or SCM, which include (i) the SCM and any other stormwater quantity and/or quality control devices and/or structures, described on the plans approved by the City of Concord and filed at the A.M. Brown Operations Center, 850 Warren Coleman Blvd., Concord, NC 28025; and (ii) access to the aforesaid SCM as shown on the attached Exhibit "A" titled "Easement Survey Property of Stor-All Derita Road, L.P." and labeled "Stormwater Control Measures Maintenance & Access Easement 0.509 Acre [22,168 SQ. FT.]" and direct access from Derita Road S.R. 1445, for the purpose of permitting City access, inspection and, in accordance with the terms of paragraph 4 of this Agreement, maintenance and repair of the SCM, as more fully set forth herein and in the CCDO and Concord Manual. Except as set forth herein, nothing contained in this Agreement shall be deemed to be a gift or dedication of any portion of Grantor's Property to the general public or for any public use or purpose whatsoever, and further except as specifically provided herein for the benefit of the City, no rights, privileges or immunities of Grantor shall inure to the benefit of any third-party, nor shall any third-party be deemed to be a beneficiary of any of the provisions contained herein.

The additional terms, conditions, and restrictions of this Agreement are:

- 1. The requirements pertaining to the SCM Easements are more fully set forth in the current adopted and published editions of the following four (4) documents: (i) Article 4 of the CCDO, (ii) Article I, Section I of the Concord Manual, (iii) the Grass Bioretention Inspection and Maintenance Plan attached as Exhibit "B" and (iv) as provided in the N.C. Dept. of Environment and Natural Resources (DENR) Stormwater Best Management Practices (BMP) Manual (the "NCDENR Manual"), all of which are incorporated herein by reference as if set forth in their entireties below. Grantor agrees to abide by all applicable codes including, but not limited to, those set forth above. All provisions required by the CCDO Section 4.4.6.B.1 are incorporated herein by reference, and Grantor agrees to abide by said provisions. Grantor further agrees that Grantor shall perform the following, all at its sole cost and expense:
 - a. All components of the SCM and related improvements within the SCM Easements are to be kept in good working order.

- b. The components of the SCM and related improvements within the SCM Easements shall be maintained by Grantor as described in "Exhibit B", the Grass Bioretention Inspection and Maintenance Plan.
- 2. Upon completion of the construction of the SCM, Grantor's N.C. registered professional engineer shall certify in writing to the Concord Director of Water Services that the SCM and all components are constructed and initially functioning as designed. Annual inspection reports (hereinafter referred to as "Annual Report(s)") are required each year and shall be made by Grantor on the written schedule provided to Grantor in advance by the City. The Annual Report(s) shall describe the condition and functionality of the SCM, and shall describe any maintenance performed thereon during the preceding year. The Annual Report(s) shall be submitted with the signature and seal of Grantor's N.C. registered professional engineer conducting the inspection. If necessary, the City will provide a letter describing the maintenance necessary to keep the SCM and all components and structures related to the SCM functioning as designed and with reasonable timeframes in which to complete the maintenance. If the Annual Report(s) recommends maintenance actions, the repairs shall be made within a reasonable time as defined by the City.

Grantor and Grantee understand, acknowledge and agree that the attached Inspection and Maintenance Plan describes the specific actions needed to maintain the SCM.

- 3. Grantor represents and warrants that Grantor is financially responsible for construction, maintenance, repair and replacement of the SCM, its appurtenances and vegetation, including impoundment(s), if any. Grantor agrees to perform or cause to be performed the maintenance as outlined in the attached Inspection and Maintenance Plan and as provided in the NCDENR Manual. Grantor and any subsequent transferee of Grantor or succeeding owner of the Property shall give the City written notice of the transfer of a fee or possessory interest in the Property listing the transferee's name, address of the Property, transferee's mailing address and other contact information. Grantor and any subsequent transferee of Grantor or succeeding owner of the Property shall not be responsible for errors or omissions in the information about the transferee provided to the City caused by acts or omissions of the transferee. The transferee shall give the City written notice of the acceptance and any future transfer of an interest in the Property listing the transferee's name, address of the Property; transferee's mailing address and other contact information. Upon the conveyance of the Property by Grantor to any transferee acquiring the Property by means of a conveyance document containing the language set forth in paragraph 9 below, Grantor is released from any further covenants or other obligations set forth in this Agreement.
- 4. If Grantor fails to comply with these requirements, or any other obligations imposed herein, in the City of Concord Code of Ordinances, CCDO, the Concord Manual or approved Inspection and Maintenance Plan, the City of Concord may perform (but is not obligated to perform) such work as Grantor is responsible for and recover the costs thereof from Grantor.
 - 5. This Agreement gives Grantee the following affirmative rights:

Grantee, its officers, employees, and agents may, but is not obligated, to enter the SCM Easements whenever reasonably necessary for the purpose of inspecting same to determine compliance herewith, to maintain same and make repairs or replacements to the SCM, their appurtenances and condition(s) as may be necessary or convenient thereto in the event Grantor defaults in its obligations and to recover from Grantor the cost thereof, and in addition to other rights and remedies available to it, to enforce by proceedings at law or in equity the rights, covenants, duties, and other obligations herein imposed in this Agreement.

- 6. Grantor shall neither obstruct nor hinder the passage of vehicular traffic and pedestrians within the paved portion of the access easement granted herein by Grantor to Grantee.
- 7. Grantor shall, in all other respects, remain the fee owners of the Property and areas subject to the SCM Easements, and may make all lawful uses of the Property not inconsistent with this Agreement and the Easements granted herein.
- 8. Grantee neither waives nor forfeits the right to act to ensure compliance with the terms, conditions and purposes of the SCM Easements and this Agreement by a prior failure to act.
 - 9. Grantor agrees:
 - a. That a reference to the deed book and page number of this document in a form substantially similar to the following statement in at least a 12 point bold face font on the first page of the document: "Notice: The Properties are subject to a Stormwater Control Measure (SCM), Access Easement and Maintenance Agreement enforced by the City of Concord and State of North Carolina recorded in the Cabarrus County Registry at DB_______." shall be inserted by Grantor in any subsequent deed or other legal instrument by which Grantor may be divested of either the fee simple title to or possessory interests in the subject Property. The designation Grantor and Grantee shall include the parties, their heirs, successors and assigns; and
 - b. That the following statement shall be inserted in any deed or other document of conveyance:

"Title to the properties hereinabove described is subject to the following exceptions:

In the event that such conveyance is other than by deed, the above terms of "grantor/grantee" may be substituted by equivalent terms such as "landlord/tenant."

TO HAVE AND TO HOLD the aforesaid rights, privileges, and easements herein granted to Grantee, its successors and assigns forever and Grantor does covenant that Grantor is seized of said premises in fee and has the right to convey the same, that except as set forth below the same are free from encumbrances and that Grantor will warrant and defend the said title to the same against claims of all persons whosoever.

Title to the Properties hereinabove described is subject to all enforceable deeds of trust, liens, easements, covenants and restrictions of record.

The covenants agreed hereto and the conditions imposed herein shall be binding upon Grantor and their agents, personal representatives, heirs and assigns and all other successors in interest to Grantor and shall continue as a servitude running in perpetuity with the above-described land.

THE CONCORD CITY COUNCIL APPROVED THIS AGREEMENT AND SCM ACCESS
EASEMENTS AND ACCEPTED THE SCM ACCESS EASEMENT AT THEIR MEETING OF
, 2021 AS ATTESTED TO BELOW BY THE CITY CLERK.
CONCORD CITY COUNCIL APPROVAL OF THIS AGREEMENT AND EASEMENT IS A
CONDITION PRECEDENT TO ACCEPTANCE BY THE CITY

IN WITNESS WHEREOF, the parties have caused this instrument to be duly executed day and year first above written.

GRANTOR"

Grass Bioretention Inspection and Maintenance Plan

Grantor agrees to keep a maintenance record on this SCM. This maintenance record will be kept in a log in a known set location. Any deficient SCM elements noted in the inspection will be corrected, repaired or replaced immediately. These deficiencies can affect the integrity of structures, safety of the public, and the removal efficiency of the SCM.

Important inspection and maintenance procedures:

- Immediately after the bioretention cell is established, the sod will be watered twice weekly if needed until the grass become established (commonly six weeks).
- Snow, mulch or any other material will NEVER be piled on the surface of the bioretention cell.
- Heavy equipment will NEVER be driven over the bioretention cell, no commercial riding mowers are allowed.
- Special care will be taken to prevent sediment from entering the bioretention cell.
- Once a year, a soil test of the soil media will be conducted.

After the bioretention cell is established, I will inspect it once a month and within 24 hours after every storm event greater than 1.0 inches. Records of inspection and maintenance will be kept in a known set location and will be available upon request.

Inspection activities shall be performed as follows. Any problems that are found shall be repaired immediately.

SCM element:	Potential problems:	How I will remediate the problem:
The entire SCM	Trash/debris is present.	Remove the trash/debris.
The perimeter of the bioretention cell	Areas of bare soil and/or erosive gullies have formed.	Regrade the soil if necessary to remove the gully, and then plant a ground cover and water until it is established. Provide lime and a one-time fertilizer application.
The inlet device: pipe, stone verge or swale	The pipe is clogged (if applicable). The pipe is cracked or otherwise damaged (if applicable).	Unclog the pipe. Dispose of the sediment off-site. Replace the pipe.
	Erosion is occurring in the swale (if applicable).	Regrade the swale if necessary to smooth it over and provide erosion control devices such as reinforced turf matting or riprap to avoid future problems with erosion.
	Stone verge is clogged or covered in sediment (if applicable).	Remove sediment and clogged stone and replace with clean stone.

ORD.

CAPITAL PROJECT ORDINANCE Utility Project Reserves

BE IT ORDAINED by the City Council of the City of Concord, North Carolina that pursuant to Section 13.2 Chapter 159 of the General Statutes of North Carolina, the following project ordinance is hereby ordained:

SECTION 1. The project authorized and amended is electric project reserves.

SECTION 2. The City Manager is hereby authorized to proceed with the implementation and amendments of the project/projects within the terms of the plans and specifications for the projects. The purpose authorized is to accumulate funds for future projects and capital outlay that are listed in the Capital Improvement Plan listing or the City's Operating Budget. Funds will be accumulated until such time the City Council designates the funds for projects. The Electric/Water/Wastewater Funds will serve as the funding source for the Utility Capital Reserve Fund upon City Council approval and withdrawals must be approved by City Council through an ordinance.

SECTION 3. The following revenues/expenditures are anticipated to be available to the City of Concord for the project:

Account	Title	Current Budget	Amended Budget	(Decrease) Increase
282-4501610	From Electric	\$33,484,368	\$43,484,368	\$10,000,000
282-4501610 8120-5811081 8120-5811081	Future Elec. Reserves	\$10,404,092	\$20,404,092	\$10,000,000

SECTION 4. Accounting records are to be maintained by the Finance Department of the City of Concord in such manner as (1) to provide all information required by the grant agreement and other agreements executed or to be executed with the various parties involved with the project; and (2) to comply with the Local Government Budget and Fiscal Control Act of the State of North Carolina.

SECTION 5. Within five (5) days after adopted, copies of this grant project amendment shall be filed with the City Manager, Finance Director, and City Clerk for direction in carrying out this project.

SECTION 6. The Finance Director is directed to report on the financial status of this project in accordance with the existing City policy. She shall also report to the City Manager any unusual occurrences.

Duly adopted by the City Council of the City of Concord, North Carolina this 10th day of November, 2021.

RE: FY2022 Metropolitan Planning Grant Program (Section 5303)

Project No. 22-08-108

WBS Element No(s). 36230.7.21.6

Period of Performance: 7/1/2021 - 6/30/2022

Dear Mr. Payne:

On April 8, 2021, the Board of Transportation approved your organization's request for an FY22 Metropolitan Planning Grant in the amount of \$95,751. The agreement to be executed between City of Concord and NCDOT is enclosed. The individual authorized to enter into this agreement for the financial assistance on behalf of your agency will sign the agreement. Please provide a copy of the agreement to all parties that will be involved in the administration of the grant, and request that the agreement be reviewed carefully. Instructions for completion of the grant agreement process are enclosed.

Please refer to Section 6b of the grant agreement that requires sub-recipients to submit monthly or quarterly requests for reimbursement.

If you have any question related to the grant agreement, please contact Myra Freeman, Financial Manager at 919-707-4672 or your assigned Accounting Specialist. In any correspondence, please reference your assigned project number, WBS element, Agreement number and period of performance referenced on this letter.

Sincerely,

Ryan Brumfield Director

Quarterly Council Report

UTILITY EXTENSIONS/ADDITIONS PERMITTED

July 1- September 30, 2021

SUMMARY

During the past quarter, the City of Concord Engineering Department's local permitting programs have authorized the expansion of the City of Concord's water distribution system and wastewater collection system to areas that have been recently annexed, developed or to portions of the countywide service area, where infrastructure is lacking, deficient or overloaded.

In summary, the water distribution and wastewater collection expansion projects, as permitted by the City of Concord's delegated permitting program during the quarter of **July 1- September 30, 2021**, are as follows:

WATER:

The <u>City of Concord</u> initiated water distribution system extensions permitted by the City of Concord's delegated permitting 941 linear feet of 12-inch water lines, 605 linear feet of 2-inch water lines and other appurtenances to provide services to existing customers, with zero increase to the existing average domestic water demand of treated water from the City of Concord's existing potable water distribution system.

The <u>Developer</u> initiated <u>PUBLIC</u> water distribution system extensions permitted by the City of Concord's delegated permitting program consisted of approximately 10,451.5 linear feet of 8-inch water main, 1,393 linear feet of 6-inch water main, 5.49 linear feet of 4-inch water main, 119 linear feet of 2-inch water main, with valves, hydrants and other appurtenances to serve 81 5-bedroom single family lots, 84 4-bedroom, and 137 3-bedroom single family townhome units, and a amenity center with a swimming pool; 35,291 sq. ft. mixed use residential and commercial lot with 167 residential units and flex office space; 53 residential apartment units, fitness facilities, and 2 commercial lease spaces; 78 residential multi-family apartment units; 5,040 sq. ft. commercial self-storage warehouse with an average domestic, commercial and industrial water demand of 244,334 GPD, of treated water from the City of Concord's existing potable water distribution system.

SEWER:

The City of Concord does not report any wastewater collection system extensions for this quarter.

The <u>Developer</u> initiated wastewater collection system extensions permitted by the City of Concord's delegated permitting program consisted of approximately 9,559 linear feet of 8-inch sanitary sewer, with manholes and other appurtenances to serve 81 5-bedroom single family lots, 84 4-bedroom, and 137 3-bedroom single family townhome units, and amenity center with swimming pool, 7 single family residential lots, and a 4,262 sq. ft. dental office with a total average domestic wastewater discharge of 142,730 GPD.

Please reference the following pages for more information concerning the authorized expansion and the associated particulars of each project permitted by the City from 1st of July to the 30th of September 2021:

Water Distribution System Extensions: July 1- September 30, 2021

Date Issued: July 8, 2021

Project Title: Piper Landing Subdivision

Project # 2020-017

Developer: M/I Homes of Charlotte, LLC

Cody Simoneaux, VP of Land Development

5350 77 Center Drive, Suite 100

Charlotte, NC 28217 P)704-597-4538

E) csimoneaux@mihomes.com

Description: Construction of approximately 10,016 linear feet of 8-inch water lines with 21 in-line

valves, 1,353 linear feet of 6-inch water lines with 3 in-line valves, 119 linear feet of 2-inch water lines with 1 in-line valve, and other appurtenances to provide potable water to 81 5-bedroom single family lots, 84 4-bedroom, and 137 3-bedroom single family townhome units, and a swimming pool located off/on of Rock Hill Church

Road with an average domestic water demand of 122,270 GPD.

Date Issued: August 2, 2021

Project Title: Novi Rise (Prev. Market Street Lofts)

Project # 2020-003

Developer: Lansing Melbourne Group

Peter Flotz, Managing Member

2420 E. Sunrise Blvd. Fort Lauderdale, FL 33304

P) 910-428-1360

Email) PFLOTZ@LMGROUP.US

Description: Construction of approximately 36 linear feet of 6-inch water lines with 2 in-line

valves and other appurtenances to provide potable water to a mixed use residential and commercial lot with 167 residential units and office space for a total of 35,291 sq. ft. located off of 30 West Market Street with an average domestic and

commercial water demand of 68,124 GPD.

Date Issued: August 2, 2021
Project Title: Novi Flats
Project # 2021-008

Developer: Lansing Melbourne Group

Peter Flotz, Managing Member

2420 E. Sunrise Blvd. Fort Lauderdale, FL 33304

P) 910-428-1360

Email) PFLOTZ@LMGROUP.US

Description: Construction of approximately 5.49 linear feet of 4-inch water lines with 1 in-line

valve, 13.36 linear feet of 8-inch water lines with 1 in-line valve, and other appurtenances to provide potable water to 53 residential units, fitness room, and 2 commercial units located off of Barrick Ave. SW with an average domestic and

commercial water demand of 22,590 GPD.

Date Issued: August 6, 2021

Project Title: **Buffalo Terrace Apartments**

Project # 2020-041

Developer: Buffalo Terrace, LP

Vaugh Zimmerman, Owner

1329 E. Lark Street Springfield, MO 65804 P) 417-883-1632

E) <u>v.zimmerman@wilhoitproperties.com</u>

Description: Construction of approximately 153 linear feet of 8-inch water lines with 4 in-line

valves, 4 linear feet of 6-inch water lines with 1 in-line valves and other appurtenances to provide potable water to 78 residential multi-family apartment units located off of Concord Parkway North, with an average domestic water demand of

31,200 GPD.

Date Issued: September 8, 2021

Project Title: Highway 29 Mini-Storage- Mod 1- Relocation of waterline

Project # 2019-058

Developer: Mini Storage Depot on Concord Pkwy, LLC

Lance A. Swank, Manager

3900 Edison Lakes Parkway, Suite 201

Mishawaka, IN 46545 P) 574-247-3215

Email) cpatterson@thesterlinggrp.com

Description: Abandonment of the existing water line and relocation of a new water line with

approximately 269.11 linear feet of 8-inch water line with 3 in-line valves, 1 hydrant, and other appurtenances to provide potable water to serve a 75,040 sq. ft. commercial self-storage warehouse located off/on of Concord Parkway, with a

commercial water demand of 150 GPD.

Date Issued: September 9, 2021

Project Title: General Services Drive 12" Parallel Waterline Replacement

Project # 2020-076

Developer: City of Concord- Water Resources

Attn: Thomas A. Bach, Engineering Manager

PO Box 308

Concord, NC 28026 P) 704-920-5344

E) bacht@concordnc.gov

Description: Construction of approximately 941 linear feet of 12-inch water lines with 3 in-line

valves, 1 hydrant, and other appurtenances to replace the existing water main located on General Services Drive with zero increase to the existing average domestic water

demand.

Date Issued: September 29, 2021

Project Title: Jefferson Ct. NE 2" Waterline Replacement

Project # 2020-058

Developer: City of Concord- Water Resources

Attn: Thomas A. Bach, Engineering Manager

PO Box 308

Concord, NC 28026 P) 704-920-5344

E) bacht@concordnc.gov

Description: Construction of approximately 364 linear feet of 2-inch water lines with 1 in-line

valve, and other appurtenances, to replace the existing water main located on located on Jefferson Ct. NE and the intersection of Jefferson Ave. NE, with zero increase to

the existing average domestic water demand.

Date Issued: September 29, 2021

Project Title: Hillandale Place 2-inch Waterline Replacement

Project # 2021-022

Developer: City of Concord- Water Resources

Attn: Thomas A. Bach, Engineering Manager

PO Box 308

Concord, NC 28026 P) 704-920-5344

E) bacht@concordnc.gov

Description: Construction of approximately 241 linear feet of 2-inch water lines with 1 in-line

valves and other appurtenances to replace the existing water main located on located on Hillandale Place NE, with zero increase to the existing average domestic water

demand.

Wastewater Distribution System Extensions: July 1- September 30, 2021

Project Title: Piper Landing Subdivision

Project # 2020-017

Developer: M/I Homes of Charlotte, LLC

Cody Simoneaux, VP of Land Development

5350 77 Center Drive, Suite 100

Charlotte, NC 28217 P)704-597-4538

E) csimoneaux@mihomes.com

Description: Construction of approximately 9,407 linear feet of 8-inch sanitary sewer with 67

manholes and other appurtenances to serve 81 5-bedroom single family lots, 84 4-bedroom, and 137 3-bedroom single family townhome units, and a swimming pool located off/on of Rock Hill Church Road, with a domestic wastewater discharge of

139,710 GPD.

Date Issued: September 30, 2021
Project Title: Sherwood Hills Sewer

Project # 2021-047

Developer: Charlotte Commercial Partners, Inc.

David E. Tibbals

11121 Carmel Commons Blvd. Ste. 405

Charlotte, NC 28226 P) 704-995-2808

Email) david@charlottecommercialpartners.com

Description: Construction of approximately 152 linear feet of 8-inch sanitary sewer with 2

manholes and other appurtenances to serve 7 single family residential lots located off

of Sherwood Ct. NW, with a domestic wastewater discharge of 2,520 GPD.

Date Issued: September 30, 2021
Project Title: Concord Dental Office

Project # 2021-058

Developer: WMG Acquisitions, LLC

Jonathan Brumleve, Manager

PO Box 768

Effingham, IL, 62401 P) 314-537-4140

Email) bschrock@wmgdevelopment.com

Description: Construction of wastewater collection system flow modification to an existing 7-

Eleven Coddle Market 8-inch sanitary sewer serving a 4,262 sq. ft. dental office addition located off of George Liles Parkway, with an additional wastewater discharge of 500 GPD. This is additional flow to the previously allocated flow of 3,600 GPD approved under 7-Eleven Coddle Market 2019-055 and 424 GPD

approved under Express Oil-Concord 2020-082.

IDENTITY THEFT PREVENTION PROGRAM INCIDENT REPORT

CITY OF CONCORD

It is the policy of the City of concord to provide an Identity Theft Prevention Program for customers and coworkers. The purpose of this report is to provide continued evaluation for the effectiveness of current policies and procedures in compliance with the FACTact. This document will be used to drive recommendations for changes to the program due to evolving risk and methods of theft.

This document will also be used to report incidents that have taken place since the last reporting period.

Recommendations: None
