

**REQUEST FOR BIDS**

October 14, 2015

INVITATION TO BID  
SEWER CIPP LATERAL LINING CONTRACT – 2015  
PROJECT NO. 2015-044

Sealed Bids will be received by The City of Concord Engineering Division in Conference Room C, Alfred M. Brown Utilities Complex, 850 Highway 601 S., Concord, North Carolina 28026 until **11:00 AM.**, local time, **Wednesday, October 28, 2015**, for City's 2015 Sewer CIPP Lateral Lining Contract.

At said place and time, and promptly thereafter, all Bids that have been duly received will be publicly opened and read aloud.

The proposed Work is generally described as follows:

Multiple lateral lines within the City's wastewater collection system need to be rehabilitated. To minimize disturbances caused by excavation, these pipes within the identified areas will be subject to cured-in-place pipeline (CIPP) rehabilitation. The list of targeted lateral lines for CIPP include: See Exhibit C in the "Sewer CIPP Lateral Lining Contract – 2015" Bid Documents.

The work will require traffic control for each of the lateral lining sites listed in the contract. In addition, traffic control will be required in some of the heavy traffic areas of the city. Contractor must submit a traffic control plan for approval by the city's transportation department prior to any lane closure or street closure. Traffic control must be in compliance with NCDOT requirements, including Work Zone Certification for workers within the work zone.

All Bids must be in accordance with the Bidding Documents on file with: The City of Concord (Engineering Department Office).

Please contact Clint Shoaf, P.E. at [shoafc@concordnc.gov](mailto:shoafc@concordnc.gov) to register to bid and to obtain a copy of the bidding documents in PDF format via email.

Bidders must be properly licensed as required by Chapter 87 of the North Carolina General Statutes. All Subcontractors must also be licensed contractors in the State of North Carolina.

Bids will be received on a unit price basis.

Five (5) percent Bid security must accompany each Bid.

The Successful Bidder will be required to furnish a Construction Performance Bond and a Construction Payment Bond as security for the faithful performance and the payment of all bills and obligations arising from the performance of the Contract. Contractor and all Subcontractors will be required to conform to the labor standards set forth in the Contract Documents.

Pertinent specifications for the project include but are not limited to *Technical Specifications for the Rehabilitation of Sewer Service Laterals Using One-Piece Main and Lateral Cured-in-Place Pipe (CIPP) Liner Assembly Installed by Inversion* as provided by the City of Concord, Standard specifications for collection and distribution of Water and Sewer Authority of Cabarrus County (WSACC) as provided at <http://www.wsacc.org/>, and all applicable NASSCO specifications as provided at <http://www.nassco.org/>. The most recent edition of each specification shall be applied.

Owner reserves the right to reject any or all Bids, including without limitation the rights to reject any or all nonconforming, non-responsive, unbalanced, or conditional Bids, and will award to lowest responsible Bidder taking into consideration quality, performance, and time specified in Bid Form for performance of Work. Owner also reserves the right to waive informalities.
