

BID ADVERTISEMENT/INVITATION TO BID

February 1, 2019

Project Title: **Coddle Creek WTP Settling Basin Upgrades
Project No. 5811317**

Project Description: The **Coddle Creek WTP Settling Basin Upgrades** project consists of the removal of the FRP tube settler equipment and associated supports, and the installation of stainless steel plate settler system in three sedimentation basins at the Coddle Creek WTP in Concord, NC. Additionally, select location of guardrails at the sedimentation basins will require modifications.

Sealed Bids will be received by the City of Concord (Owner) at the address below. Please submit notarized bids in a sealed envelope by the bid opening time and date. All Bids must be in accordance with the Bidding Documents on file with the City of Concord Engineering Department. Bidders must be licensed contractors in the State of North Carolina. Bids will be received on a unit price basis. A Bid Bond must accompany each bid. The Successful Bidder will be required to furnish a Construction Performance Bond and a Construction Payment Bond as security for the faithful performance and the payment of all bills and obligations arising from the performance of the Contract. Contractor and all Subcontractors will be required to conform to the labor standards set forth in the Contract Documents. Owner reserves the right to reject any or all Bids, including without limitation the rights to reject any or all nonconforming, nonresponsive, unbalanced, or conditional Bids, and will award to lowest responsible Bidder taking into consideration quality, performance, and time specified in Bid Form for performance of Work. Owner also reserves the right to waive informalities.
