

ADDENDUM 3

3/31/2020

CODDLE CREEK WATER TREATMENT PLANT

SWITCHGEAR REPLACEMENT PROJECT

Please replace page 15 within the Coddle Creek WTP Switchgear Replacement, (Bid 2427), with the newly listed page 15 below. The new page allows for prospective bidders a place to include prices for optional items listed in the bid specifications including extended warranties and a remote racking option. Please list your project bid cost on line 1 of exhibit A and prices for the options on subsequent lines. If you are not bidding on the options simply put no bid on those lines. If you have any questions please reach out to the person listed in the bid documentation. Thank you.

(See Revised Bid Form Below)
