

EXHIBIT "A"

This document is an Exhibit to the Agreement for Professional Services between the CITY OF CONCORD and _____ dated as shown in the Notice to Proceed Date specified on EXHIBIT "K".

Scope of Services:

The Contractor shall provide traffic signal work and associated construction/maintenance work in and adjacent to the City of Concord as directed by the Transportation Department. This work provides for the installation, upgrade, or repair of signals on an as-needed basis and includes, but is not limited to: saw cutting roadway surfaces, placement of embedded loops and sealant, trenching, placement of conduit and junction boxes, installing poles, guys, span wire, cables, heads, visual detection equipment, and conduit. The work shall include the full cost of all special subcontracting, permits, licenses, certifications, materials, labor, equipment, tools, miscellaneous hardware, consumables, adhesives and sealants, incidentals, transport, storage, traffic control, safety operations, testing, operational start-up, cleanup, removal of old assemblies, disposals, returns of all unused materials, warranty maintenance needed for completion of the work, and all else required to the satisfaction of the Transportation Department in this contract.

All work and materials shall be in accordance with the provisions of this contract, the General Conditions Exhibit "G" and the Special Provisions and Conditions Exhibit "H", the manufacturers' drawings, specifications, and requirements, the Standard Drawings, Standard Specifications, MUTCD, the latest requirements of the National Electrical Code (NEC), National Electrical Safety Code (NESC), OSHA, Underwriter's Laboratory (UL), all applicable Federal, State, and local laws, ordinances and regulations. If successful Contractor does not hold the proper license to perform the electrical work of this contract, subletting for such work to a licensed Subcontractor will be required.

Fee for Scope of Services:

The fee for services shall not exceed \$150,000 and shall be based on a unit cost format, whereby the quantities of items satisfactorily installed, verified, and accepted by the Director or his designated representative(s) shall be the actual quantities that are used in determining the basis of payment. Payment at the unit prices for the various items listed on the Quote Form will be full compensation for all the items covered by the work. In no case will the total amount paid to the Contractor exceed the not to exceed amount indicated above. Invoices shall be directed to: City of Concord Attention: Phillip Graham PE, Transportation Director – 635 Alfred Brown Jr. Court SW, Post Office Box 308, Concord, NC 28026-0308. Should changes or extra services be needed, which will cause a cost overrun; _____ will consult with the City for adjustments prior to conducting the work.

The budget for the scope of services is based on the following estimates: Historical cost data, engineering judgment and the approved FY 20 Budget Ordinance by the City of Concord City Council for such work.
