WITNESSETH:

WHEREAS, the Contractor is engaged in the business of performing consulting services relating to professional engineering matters; and

WHEREAS, the City desires to contract with the Contractor to perform such services at the City's project known as _____-(the "Project") located _____ (the "Project Site");

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein, the parties hereto agree as follows:

Sec. 1. Professional Services to be Provided. The Contractor will provide or cause to be provided professional services for the Project as set forth herein and in Exhibit "A" attached hereto and incorporated herein by reference. The fee shall not exceed the amount set forth in Exhibit "A". Additional Exhibits may be used to further define this Agreement when the Contractor and City so agree. Any additional exhibits shall be designated as exhibits to the Agreement with capitalized, sequential letters of the alphabet, shall be attached hereto and incorporated herein by reference as if the same were fully recited, and shall become terms of this Agreement upon execution by both parties.

Sec. 2. Standards of Performance.

A. The standard of care for all professional and related services performed or furnished by Contractor under this Agreement will be the care and skill ordinarily used by members of Contractor's profession practicing under similar conditions and circumstances and in a similar locality.

B. Contractor shall be responsible for the technical accuracy of its services and documents resulting therefrom, and City shall not be responsible for discovering deficiencies therein. Contractor shall correct such deficiencies without additional compensation, except to the extent such action is directly attributable to deficiencies in City-furnished information.

C. Contractor shall perform or furnish professional and related services in all phases of the Project to which this Agreement applies. Contractor may employ such subconsultants as Contractor deems necessary to assist in the performance or furnishing of the services. The meaning of the term "subconsultant" shall include "subcontractor." Contractor shall not be required to employ any Contractor subconsultant unacceptable to Contractor; however, the Contractor shall obtain the City's written approval for each subconsultant selected. Such approval may be granted by the City Manager or by any duly authorized agent of the City Manager.

D. Prior to the Commencement Date, City provided to Contractor in writing any and all policies and procedures of City applicable to Contractor's performance of services under this Agreement. Contractor shall comply with such policies and procedures, subject to the standard of care set forth in this Section 2 of the Agreement, and to the extent compliance is not inconsistent with professional practice requirements.

E. Contractor and City shall comply with all applicable local, state and federal Laws and Regulations or Standards. This Agreement is subject to all applicable Federal Rules and Regulations as identified in AC 150/5100-14E which can be found at https://www.faa.gov/airports/resources/advisory_circulars/index.cfm/go/document.current/documentNumber/150_5100-14. This Agreement is also subject to the Federal Contract Provisions for A/E

Agreements which is attached as Exhibit "E" and made a part hereof and can also be found at https://www.faa.gov/airports/central/aip/sponsor_guide/media/federal-provisions-attachment-for-ae-contracts.pdf. Changes made to these requirements subsequent to the City's issuance of the Notice to Proceed may be the basis for modifications to City's responsibilities or to the scope, schedule, and compensation for Contractor's services. Without limitation, Contractor shall comply with the requirements of Article 2, Chapter 64 (Verification of Work Authorization) of the North Carolina General Statutes relating to E-Verify. Further, if Contractor utilizes a subcontractor, Contractor shall require the subcontractor to comply with the requirements of Article 2 of Chapter 64 of the General Statutes.

F. City shall be responsible for, and Contractor may rely upon, the accuracy and completeness of all requirements, programs, instructions, reports, data, and other information furnished by City to Contractor pursuant to the Agreement. Contractor may use such requirements, reports, data, and information in performing or furnishing services under this Agreement.

G. City shall make decisions and carry out its other responsibilities in a timely manner so as not to unreasonably delay the services of Contractor.

H. Contractor shall guarantee the performance of any subconsultant hired by, or otherwise relied upon by Contractor and shall assume responsibility for any such subconsultant's failure to furnish and perform the Work in accordance with this Agreement.

I. Except as provided in Subsection 2(g), Contractor shall not be responsible for the acts or omissions of any contractor(s), subcontractor, or supplier, or of any of the contractor's agents or employees or any other persons (except Contractor's own employees or consultants hired by or working directly for the Contractor) at the site or otherwise furnishing or performing any of the Contractor's work; or for any decision made on interpretations or clarifications by the City of the Contract Documents when such interpretations or clarifications are given without the consultation and advice of Contractor.

Sec. 3. Project Site. Reasonable precautions will be taken to minimize damage to the Project Site from the Contractor's activities and use of equipment. The Contractor, well in advance of any testing or site investigation, will research and identify the accurate location of all utilities located on the Project Site including the presence and accurate location of hidden or obscured man-made objects known to the City. Contractor shall take all reasonable precautions to locate any hidden or obscured utilities or other man-made objects which may be on the Project Site, but are unknown to the City. While at the Project Site, Contractor's employees, subconsultants and representatives shall comply with specific applicable requirements of Contractor's and City's safety procedures, of which Contractor has been informed in writing.

Sec. 4. Time of Service. The Contractor shall commence work within ten (10) days of the date of its receipt of written Notice to Proceed from the City. The date that is ten (10) days from the date of the Contractor's receipt of the Notice to Proceed shall be the "Commencement Date." All work as set forth in the Scope of Services in Exhibit "A" shall be completed within six-hundred fifty (650) calendar days of the Commencement Date. The date that is six-hundred fifty (650) calendar days from the Commencement Date shall be the "Completion Date." Time is of the essence with regard to this Project. If Contractor's obligations are not completed by the Completion Date, the City reserves the right to nullify this Agreement, order the Contractor to immediately cease all work under this Agreement and vacate the Project Site, and to seek professional services equivalent to those outlined in Exhibit "A." The Contractor shall be held accountable for all damages incurred by the City as a consequence of the missed Completion Date. The exercise of any of these rights by the City shall not be interpreted to prejudice any other rights the City may have under any agreement or in law or equity.

Sec. 5. Cancellation for Non-Conformity or Breach.

A. In the event of the Contractor's failure to deliver or perform in accordance with the terms and conditions set forth herein, the City shall have the right to nullify this Agreement or any part hereof, without prejudice to its other rights, and the Contractor agrees that the City may return part or all of any delivery and may charge the Contractor with any loss or expense sustained as a result of such failure to deliver or to perform.

B. In the event of a violation of any material term of this Agreement, the non-violating party may terminate the Agreement upon written notice. Such notice shall state the violation with specificity and shall give ten (10) days to cure the violation. The cure period shall be measured as ten (10) days from the date of receipt of notice

by the violating party, or, if the date is not known, then thirteen (13) days from the date the notice is placed in the United States Post. If the violation remains uncorrected at the end of the cure period, the Agreement shall be terminated without any further action by the non-violating party.

Sec. 6. Insurance and Liability. Contractor shall maintain and cause all consultants to maintain insurance policies at all times with minimum limits as follows:

Sec. 7. Documentation Requirements:

A. Contractor shall provide the City with a **Certificate of Insurance** for review prior to the issuance of any contract or Purchase Order. All Certificates of Insurance will require written notice by the insurer or contractor's agent in the event of cancellation, reduction or other modifications of coverage by the insurer. Such notice shall be not less than 30 days for nonrenewal by the insurer, not less than 10 days for cancellation due to nonpayment of the premium and as soon as possible for all other types of modifications. In addition to the notice requirement above, Contractor shall provide the City with written notice of cancellation, reduction, or other modification of coverage of insurance whether instigated by the insurer or by the Contractor immediately upon Contractor's receipt of knowledge of such modifications. Upon failure of the Contractor to provide such notice, Contractor assumes sole responsibility for all losses incurred by the City for which insurance would have provided coverage. The insurance certificate shall be for the insured period in which the initial contract period begins and shall be renewed by the Contractor for each subsequent renewal period of the insurance for so long as the contract remains in effect.

The City shall be named as an **additional insured** and it is required that coverage be placed with "A" rated insurance companies acceptable to the City. Statement should read, "City of Concord is added as an additional insured as evidenced by an endorsement attached to this certificate." Failure to maintain the required insurance in force shall constitute a material breach and shall, at City's option, may be cause for termination of this Agreement. In the event that the Contractor fails to maintain and keep in force the insurance herein required, the City has the right to cancel and terminate the Agreement without notice.

B. Contractor shall provide a completed W-9 form to the City prior to execution by the City of this Agreement.

Sec. 8. Indemnification. To the maximum extent allowed by law, the Contractor shall defend, indemnify, and save harmless the City of Concord, its agents, officers, and employees, from and against all charges that arise in any manner from, in connection with, or out of this Agreement as a result of the acts or omissions of the Contractor or its consultants and subcontractors or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable except for damage or injury caused solely by the negligence of the City, its agents, officers, or employees. In performing its duties under this section, the Contractor shall at its sole expense defend the City of Concord, its agents, officers, and employees with legal counsel reasonably acceptable to City. As used in this subsection – “Charges” means claims, judgments, costs, damages, losses, demands, liabilities, duties, obligations, fines, penalties, royalties, settlements, expenses, interest, reasonable attorney’s fees, and amounts for alleged violations of sedimentation pollution, erosion control, pollution, or other environmental laws, regulations, ordinances, rules, or orders. Nothing in this section shall affect any warranties in favor of the City that are otherwise provided in or arise out of this Agreement or by operation of law. This section is in addition to and shall be construed separately from any other indemnification provisions that may be in this Agreement. This section shall remain in force despite termination of this Agreement (whether by expiration of the term or otherwise) and termination of the services of the Contractor under this Agreement.

Sec. 9. Intellectual Property. If any claim based upon alleged infringement of rights in any patent, copyright, trademark, or trade name is asserted against the City by virtue of the purchase or use of any good, service, or process hereunder, the Contractor shall indemnify and hold the City harmless from all claims, demands, and legal obligations against the City in preparation or in defense of such claims, or in settlement thereof.

Sec. 10. Documents. All documents, including but not limited to drawings, specifications, reports, boring logs, field notes, laboratory test data, calculations and estimates, prepared by the Contractor pursuant to this Agreement, shall be the City’s sole property. The Contractor shall furnish or cause to be furnished to the City any and all such reports, data, studies, plans, specifications, documents, computer files, and other information created or collected by the Contractor for the Project. The documents so provided will remain the property of the City. All documents prepared by the Contractor for the City are subject to public records requirements, and the City will not assume any responsibility for any third party’s use of the documents that are produced.

Either party to this Agreement may rely that data or information set forth on paper (also known as hard copies) that the party receives from the other party by mail, hand delivery or facsimile, are the items that the other party intended to send. Files in electronic media format of text, data, graphics, or other types that are furnished by one party to the other are furnished only for convenience, not reliance by the receiving party. Any conclusion or information obtained or derived from such electronic files will be at the user’s sole risk. If there is a discrepancy between the electronic files and the hard copies, the hard copies govern. If the parties agree to other electronic transmittal procedures, such will be set forth in written format signed by both parties.

Sec. 11. Attachments. Additional Exhibits may be used to further define this Agreement when the Contractor and City so agree. Any additional exhibits shall be designated as exhibits to the Agreement with capitalized, sequential letters of the alphabet, shall be attached hereto and incorporated herein by reference as if the same were fully recited, and shall become terms of this Agreement upon execution by both parties.

Sec. 12. Strict Compliance. The City may at any time insist upon strict compliance with these terms and conditions notwithstanding any previous course of dealing or course of performance between the parties to the contrary.

Sec. 13. Corporate Status. If the Contractor experiences any change in corporate status whatsoever, including but not limited to incorporation, dissolution or suspension of incorporation, or any change in the status of partnership or sole proprietorship, and the Contractor does not notify the City of such change in status within three (3) business days from the date of the change in status, and/or the status existing at the time of execution of this Agreement is not reinstated within thirty (30) days, the City may, at its sole option, either declare the Agreement null and void or require execution by the Contractor of a new Agreement reciting the Contractor's correct legal entity and executed by a duly authorized agent of that entity.
