

# Neighborhood Leadership Council

## 1<sup>st</sup> Quarter Meeting

## Communication Roundtable Discussion

Join us for the 1st Quarter 2014 Neighborhood Leadership Council meeting, January 28<sup>th</sup> at Fire Station #9 (1020 Ivey Cline Road). Come network and learn about communication strategies and best practices for maintaining open lines of communication with your neighbors.

The Neighborhood Leadership Council provides neighborhood leaders with an open, flexible, and consistent forum to come together and share experiences, exchange information, and have access to focused leadership training. The meetings are open to neighborhood leaders from each of the City's officially recognized neighborhood organizations. In most cases this is the neighborhood association chair or president, although any active member is welcomed to attend meetings. Recognized neighborhood organizations are encouraged to designate a primary and an alternate representative to serve as its NLC representative.
