

Partnership for Stronger Neighborhoods

Neighborhood Partnership Awards Program

Purpose

To allow recognized neighborhoods the opportunity to recognize the significant efforts made by an individual or community group who has worked to enhance the quality of life in Concord's neighborhoods. Through this program, recognized neighborhoods will recognize service, leadership, and/or acts of kindness that has impacted their neighbors and contributed to making the city a great place to live, work, and play.

How it works?

Each year, active recognized neighborhoods will be invited to nominate one individual or group to be honored during a recognition event to be held in December. This acknowledgement will hopefully inspire others toward civic actions that will have a positive impact towards elevating the quality of life in our city.

Nomination procedures

To nominate a worthy individual or group, active recognize neighborhoods should complete and submit the nomination form before or on November 2, 2020. Nomination forms can be mailed to the Community Outreach Coordinator in the City Manager's Office P.O. Box 308, Concord, NC 28026 or emailed to jzarc@concordnc.gov.

Names of honorees for each neighborhood will be published in the City Circular Magazine, the neighborhood newsletter, and posted on the program website.
