The link will be available through November 10, 2020.

COMMUNITY DEVELOPMENT PROGRAM (CDBG-CV)

Disaster Recovery Assistance
Coronavirus Aid, Relief, and Economic Security Act
(CARES)

FY 20/21 First Allocation - \$400,339.00

CARES funds can be used to address coronavirus-related housing and homeless needs within the city or state. CARES funding can be used for a wide range of activities, including housing rehabilitation, economic development, and as direct payments to service providers for immediate support to persons that were impacted by the Coronavirus Pandemic.

COMMUNITY DEVELOPMENT PROGRAM (CDBG-CV)

Disaster Recovery Assistance
Coronavirus Aid, Relief, and Economic Security Act
(CARES)

FY 20/21 Second Allocation - \$604,865.00

The City was allocated additional **CARES funds** in September. These funds have the same regulatory guidelines as the first allocation. Eligible uses of these funds include housing rehabilitation, economic development, supportive services, and rental assistance for persons impacted by the Coronavirus Pandemic. The City also is requesting feedback to determine the services that should be prioritized to address the needs within the City.
