

CENTER CITY STRATEGIES

These strategies should be implemented jointly by public, private, non-profit and other neighborhood organizations

Construct new sidewalks as shown on the Multi-Modal Connections Map each year, as feasible, through the City's Pedestrian Improvement Program (PIP)

Construct cul de sacs each year, as feasible, through the City's Capital Improvements Program (CIP)

Coordinate with Cabarrus County Schools to retain and enhance neighborhood schools within Center City

Encourage new and strengthen existing neighborhood organizations

Construct additional greenway connections as shown on the Multi-Modal Connections Map to complete a greenway loop system throughout Center City

Construct infill housing compatible in design, setback and size to existing housing stock

Promote home ownership throughout Center City neighborhoods

Continue to enhance community policing program

Establish a Certificate of Occupancy Program for rental properties that are in constant violation of the Minimum Housing Code
