

On February 11, 2003, neighborhood logos, neighborhood improvement strategies, design for proposed park along McGill Avenue, rendering for proposed redevelopment of Brown Mill and alternative street connections were presented to residents in Sidestown/Shankletown (Planning Area #7) and Hartsell (Planning Area #8). Below are the documents for Sidestown/Shankletown.

PLAN STRATEGIES

These strategies should be implemented jointly by public, private, non-profit and other neighborhood organizations.

- Construct a passive park along north side of McGill Avenue
- Limit non-residential vehicular access
- Repair existing sidewalks as feasible throughout neighborhood
- Encourage new residential construction
- Research feasibility and costs of extending Flowe Street to connect to Florence Street
